Man Separated From His Wife!

Who Is Responsible?

We refer to a man who lives here and keeps his family in Portland because he cannot find a house for them in Eugene. This is bad for him and bad for Eugene.

The real estate men tell us they cannot supply half the demand for houses.

We will furnish the **Lumber, Lath and Shingles** if some one will get busy and build a few more houses to rent.

RETURNS TO EUGENE FROM LAKE COUNTY

C. C. White, who returned with his family to Eugene a couple of weeks ago from Lakeview, is satisfied that the Willamette valley is a better place of residence for many reasons. He says that there is no land to be taken up there worth having, but that a man of means could no doubt make good investments or do well in business. Climatic conditions are much better here, and he suffered with malaria while there.

For Sore Feet.

"I have found Buehen's Jernica Salve to be the proper thing to use for sore feet, as well as for healing burns, sores, cuts, and all manner of abrasions," writes Mr. W. Superintendent Dillard expects to take a vacation up the McKenzie soon. He will go as soon as his secretary returns from a trip to Crater Lake, probably this week.
