## HIGH SCORES MADE AT CAMP PERRY

Camp Perry, Ohio, Aug. 19.—What is said to have been the most extraordinary long range rifle shooting ever seen in America was accomplished today by Captain K. K. V. Casey, of the First Delaware, in the Leech and Wimbledon cup matches, both of which he won by record-breaking scores. In the Leech cup the cup presented by Captain Leech, of the Irish team which visited New York in 1874, shot at 800, 900 and 1000 yards, Casey scored 104 out of a possible 105. In the Wimbledon 1000-yard match he scored 97, beating the match record of 91, made by Captain Richard, of Ohio, in 1893. Casey won the Wimbledon here last year by the score of 88, under very unfavorable circumstances. Today the conditions were as nearly perfect as could be desired.

J. O. Storey and A. Welch, prominent officials of the Portland, Eugene & Eastern railroad, are expected down tonight from Portland to look over the bridge situation at Springfield. The plan formerly was to put in a Howe truss bridge, on piles, but it is thought that concrete piers must be constructed, as the bedrock is so near the surface.
