

ANOTHER Man Separated From His Wife Who Is Responsible?

We refer to a man who lives here and keeps his family in Portland because he cannot find a house for them in Eugene. This is bad for him and bad for Eugene.

The real estate men tell us they cannot supply half the demand for houses.

We will furnish the **Lumber, Lath and Shingles** if some one will get busy and build a few more houses to rent.

Hammitt Brothers have finished threshing and returned home Tuesday night. Grain harvest is over for this year and everybody is glad we suppose. The harvest has been very good. Although the yield was not so heavy the quality is of the best. The farmers should feel thankful and well-to-do. Dollar wheat and 50-cent oats ought to put a happy smile on the face of any one who has it to sell. Why not vote for Bryan to remain at Fairview and continue the good thing four years more? PENDER PLAYS IN NORTHWEST LEAGUE

Arthur Pender, the best left-handed pitcher in the Tri-City league, this year, and probably the best twirler in it also, left last night to join the Aberdeen team of the Northwest league. Manager "Red" Brown wired Jack Helsler yesterday, offering the lad \$100 a month and transportation if he would report at Seattle, and Pender left on the next train. Pender is a coming twirler. He is 24 years old, unmarried, of excellent habits, and has been improving year after year. This was his best season, and his great pitching was largely responsible for capturing second place for the Vancouver, Wash., team. He started in the game with the Eugene high school and has played on city league teams a number of years. He was to pitch for the Union Meat Company's team against Chehalis on Sunday, but Manager Helsler will wrestle another slabster.—Portland Telegram.
