...ENTS ...EATH AT ASTORIA

...ug. 27.—A. G. Sul... ...a deckhand on the ...R. Spencer, of Port...land, met instant and terrible death this morning while participating in the regatta aquatic sports. Diving from one of the yards of the British ship Donna Francesca, he shot like an arrow into the sea and was lost. He sank like a rock and boats circling around in the vicinity failed to get a glimpse of the body.

Sullivan's dive was fully 120 feet high. He had been told it meant suicide, but paid no heed to warnings. Perched on the yardarm he made the leap to death before the grandstand and the throne where the coronation of the regatta queen had just taken place. Thousands of people saw him make the leap.

HILL WILL BUILD RAILROAD THROUGH EASTERN OREGON

Prineville, Or., Aug. 26.—W. F. Nelson, of Portland; J. P. Porter, of Vancouver, Wash., and John D. Porter, of Spokane, Wash., passed through this city Monday afternoon by auto bound for Medford by way of Bend and Klamath Falls, Or., their object being to get a general idea of the interior Oregon country and local conditions in regard to the building of a railroad up the Deschutes river valley this fall, said line to form a north-and-south route between the Columbia river, Klamath Falls and San Francisco. Work is to commence in December, and it is understood that the Porter brothers will act as agents for the Hill interests.

The visitors while in this city called on both local banks, the First National and Crook County bank, and made the position statement to the bank's officers and other local capitalists that construction would begin between now and January. They did not ask financial support here, but there is $100,000 available to the first railroad which comes into this city, as a standard steam guage. The railroad as contemplated does not touch Prineville, but passes 18 miles to the westward, through Madras, Redmond and Bend.

RECEIVER FOR WALL STREET FIRM

Woodstock, Conn., Aug. 29.—Congressman Charles E. Littlefield was today appointed receiver of the Wall street firm of A. O. Brown & Company. He was required to give bonds in the sum of $250,000.

ROBERTS WEAK AND HIS WOUND MAY BE MORTAL

Atlantic City, Aug. 29.—Charles H. Roberts, victim of the board walk mysterious shooting, is very weak today. The bullet penetrated his liver and it is feared will prove fatal.

According to the police Mrs. Williams contradicts the statement of her husband's law partner, who says her husband has been in a sanitarium undergoing treatment and has not been abroad. She stated her wedded life had been one of misery.

The negro chair-pusher insists he heard no demand for money, and says the man who did the shooting remarked:

"You have broken my heart."

Husband Not There

Baltimore, Aug. 29.—William J. G. Williams, whose wife was with Roberts when the latter was shot at Atlantic City, seemingly satisfied the police today that he was not in Atlantic City on the night of the shooting. The detectives will visit his country home and verify the statements.

LANE COUNTY HOP GROWERS AGREE ON PICKING PRICE

SEVENTY-FIVE CENTS PER HUNDRED POUNDS WILL BE PAID THIS YEAR—MEETING OF GROWERS HELD HERE TODAY—MANY YARDS WILL NOT BE PICKED

A number of Lane county hopgrowers held a meeting in Eugene this forenoon to talk over the picking situation and to talk "hops" in general. All parts of the hop-growing district of the county were fairly well represented. After duly considering the prospect for prices for the crop, it was resolved that the growers could not afford to pay more than 75 cents per 100 pounds for picking this year.

According to remarks made by a number of growers, it is likely that many yards will not be picked even at that price. Others will harvest their crops as usual and trust to a betterment in the market.

Early yards in the county commenced picking last week at 75 cents per hundred pounds, and it is probable that this price will prevail throughout. Yards around Salem and Independence, where they pick by the box, will pay 40 cents per box, which is equivalent to about 75 cents a hundred.

Picking will probably not be general until somewhere between the 5th and 10th of September.

TAFT MAKES SPEECHES IN SUNNY SOUTH

Athens, Aug. 29.—Judge Taft broke away from his schedule today and delivered an impromptu political speech from the train at Galliapolis while enroute to Athens. He spoke on the single issue: "Which party by its works, not its promises, has earned the confidence, not only of the capitalist, but wage earners and farmers?"

Athens gave the candidate a rousing welcome, and he delivered a non-political address at the veterans' reunion.

Throughout the trip there were constant demands for Taft upon the platform.

Bryan Is At Work

Fairview, Aug. 29.—Mr. Bryan spent the day transacting business of importance bearing on the campaign. L. L. Ingraham, president of the Lincoln Typographical Union, presented the candidate with a handsome certificate of membership in the union.

SPERRY'S FLEET AT ANCHOR OFF MELBOURNE

Melbourne, Aug. 29.—The Atlantic fleet lies white and glistening off St. Kilda, Port Philip Bay, today. Little ceremony will be seen today, however, as Monday is the day set for the formal landing and public reception. Admiral Sperry and staff landed this afternoon and drove through the streets, which were lined with cheering crowds, and called on Governor Gibson Carmichael Victor, who later returned the call on the flagship.

A drunk called "shorty" was jailed last night, but was released this morning.

NO CRIME TO STEAL BONDS OF SEATTLE CONCERN

Denver, Aug. 29.—On the ground that technically no offense is charged, Attorney-General Dickson has refused to honor the extradition papers forwarded by the governor of Washington for the return of J. J. Henry, a Denver capitalist. Henry's associates in the Big Bend Water Power Company, of Seattle, sought to have Henry taken to Washington on the charge of larceny in connection with $50,000 worth of bonds of the company.

PHONE OPERATOR FLOOD HEROINE DIED FOR OTHERS

Trinidad, Aug. 29.—Between twenty and thirty are dead, nearly half the town swept away and a great loss of livestock is the result of yesterday's flood at Folsom, N. M. Residents of the town living on high ground saw the houses containing families crying for aid swept away before their eyes, powerless to render assistance. To Mrs. S. A. Brooke, telephone operator, who lost her life, many owe their escape. In the face of certain death the brave woman stayed in the doomed building, sending alarms to every resident having a phone.

Atlanta, Aug. 29.—The death list as the result of floods in Georgia and South Carolina will reach sixty. Further rains are predicted for tonight.

TOLEDO IS READY FOR GRIZZLED VETERANS

Toledo, O., Aug. 29.—Although the opening of the forty-second national encampment of the Grand Army of the Republic is still three days distant, the vanguard of veterans and other visitors put in an appearance today, and the large number of early arrivals indicates that the attendance will exceed the most sanguine expectations of the local committee of arrangements.

The arrangements for the week were completed today. The city is extensively and handsomely decorated in honor of the occasion, and the courts are, public library and other public buildings, the hotels, clubs and leading business houses bear elaborate illuminations of unusual brilliancy. Flags and bunting and patriotic decorations are to be seen on all sides and the great parade next Wednesday will move through streets spanned by magnificent arches and lined with garlands of red, white and blue hung from Venetian masts.

In connection with the meetings of the Grand Army there will be held the annual gatherings of the Woman's Relief Corps, the Ladies of the Grand Army of the Republic, the Daughters of Veterans, the Ladies' Aid Society, the National Army Nurses' Association, the National Association of Naval Veterans, and the National Association of ex-Prisoners of War.

The meetings and reunions of these various organizations will continue until Saturday, and at some of them much important business is to be transacted. The most important matter to be brought before the Woman's Relief Corps will be in regard to the Andersonville prison property.
