## Your Fall Suit of Clothes is About Due

and you will do well if you make sure this time that it is one of **Michaels, Stern & Co's** brand. They are the correct thing in every respect, are hand tailored and keep their shape remarkably well. We are sole agents for this famous line of clothing in Eugene.

Fall Goods are now arriving and our summer goods will be found priced away down in order to close them out.

We carry a complete line of furnishing goods that cannot be excelled in the city, and our prices will be found lower than many of our competitors can afford to sell for. We own our own store and have no rent to pay and are content with small profits.

You are invited to come and look at our goods whether you buy or not

# FOOTBALL GAME IS SET FOR NOVEMBER 21

Portland, August 30.—At a meeting of the athletic managers of the University of Oregon and the Oregon Agricultural College, held yesterday afternoon, a contract was signed whereby the annual football game between these two institutions will be played in this city on Saturday, November 1 of this year. Arangements have been made with the Multnomah Club for the use of Multnomah Field on the above date, and plans are now being perfected whereby excursions will be run to the game from Eugene, Corvallis and Albany.

From present indications the coming game between the two big state schools will be one of the greatest athletic contests ever seen in the Northwest. Expert football men believe that Oregon and O. A. C. will have the strongest teams in the Northwest this season, and that the game here on November 21 will settle the championship. O. A. C. won last year's game by the score of 4 to 0, and there is a feeling at Eugene that the tables must be turned this season.

**Norcross to Coach O. A. C.**

The Agriculturists will be coached by F. S. Norcross, the famous Michigan quarterback, who has coached at Corvallis for the past two years. He will have an able corps of assistant coaches and trainers. Corvallis will begin the season with seven of last year's eleven—Wolff, captain and fullback; Gagnon, quarter; Cooper, half; Dobbin, right end; Jamison, right tackle; Kelly, centre, and Pendergrass, left guard. Bennett, the crack left tackle of last season's team, is at present undecided about entering, while Rhinehart, Emily and Dunlap have graduated. There will be a good squad of candidates from last year's second team, and a number of new men of ability. The Agricultural College will play Whitman and one or two minor teams before the big game here and the University will play Willamette, Whitworth, Idaho and Washington. Should both teams win their preliminary games the match on November 21 will be one of the most important athletic events in the history of Pacific coast football.

**Oregon Has Good Prospects**

Although Eugene has lost a number of her best men, the outlook for a successful season is very bright. Coach Forbes will arrive on September 20, and will begin work immediately. He will be assisted by "Ole" Arnspiger, the fast Oregon tackle, who has been declared ineligible because of the four year rule, and by other Oregon veterans who will return from time to time. It is said in Eugene that Forbes has made arrangements with Morse and Rockwell, two former Yale stars who are now in California, whereby they will spend two weeks in Eugene prior to the O. A. C. game. Rockwell played quarter at Yale for four years, and was head field coach in 1906, and Morse was captain and left end of the 1905 team at New Haven. With this trio of Yale stars the Oregon players ought to be well coached when they line up against their Corvallis rivals.

Oregon expects to begin the season with six veterans—Moullen, captain and left guard; McIntyre, right guard; Scott, centre; Pinkham, left tackle; Coleman, left end, and Clark, fullback. Gillis, centre and guard on the 1906 team, will also be in college, as will a number of the best substitutes and second team men of last year. According to reports from Eugene there will be a fine lot of football material in the freshman class.

**Freshmen to Play October 31**

According to the terms of a contract signed yesterday, the freshmen of the University and O. A. C. will play in Corvallis on October 31. This will be the first freshman intercollegiate game ever played in the Northwest, and will no doubt attract widespread attention.

**WEDNESDAY, SEPT. 2**
**EPWORTH LEAGUE METHODIST CHURCH DAY**

On Wednesday, Sept. 2, all day—until 11 o'clock at night—our soda fountain and ice cream parlors will be conducted in the interests of the Epworth League.

We cordially invite everyone in this city to visit our confectionery store (The Koh-i-noor) on next Wednesday. By so doing you are not only helping us, but are helping the Epworth League, for 50 per cent of all the money taken in at the fountain and on the confectionery side (less a small amount for expenses of store, as we furnish all of our regular help) will be turned over to the League at the end of the day. We shall take special pains to see that the purest ice cream and candies, also the best, purest and coldest drinks, will be served on that day. We want all to visit the fountain.
