OREGON EASTERN RAILROAD WILL BE BUILT SOON

EASTERN OREGON PAPERS HAVE PRIVATE ADVICES FROM PELICAN BAY LODGE THAT EUGENE-KLAMATH FALLS ROAD, KNOWN AS NATRON EXTENSION, WILL SURELY BE CONSTRUCTED—ALSO NORTH AND SOUTH INTERSECTING LINE

(Harney County News.)

A private letter received by Captain Gowan this week from a gentleman who has been in a position to obtain correct information, says there is no doubt that the railroad north through Klamath county, the railroad through the Deschutes country and the completion of the line over the Cascades from Natron to Odell lake to connect with the Klamath line, are dead sure certainties, and that the east and west line through Harney and Malheur counties to connect with those lines mentioned is just as sure to follow immediately as the day follows the night. These facts confirm information which the News has given its readers for months. There is no doubt of it.

The completion of the new Central Oregon line is a matter of perhaps a year. The new track should be completed in time for the next crop season, and Mr. Harriman has intimated that he will build about 100 miles of new track a year in the future until all the north-and-south and east-and-west lines mapped out in this state are completed.

It is believed by those best informed that at the recent conference at Pelican Bay it was decided to follow the Deschutes river from its mouth into the interior, it being thought that this offers the best means of reaching the territory sought to be tapped.—Klamath Falls Herald.

SUICIDE MYSTERY THAT BAFFLES POLICE

Pittsburg, Aug. 31—The police are hard at work endeavoring to clear up the mystery surrounding the suicide of an unknown man at McKeesport, who destroyed his features with carbolic acid and drowned himself. It is claimed that the body is either that of the divorced husband of the niece of the late Marshall Field, of Chicago, or F. D. S. Bethune, a New York attorney, who has been strangely missing for two weeks.

One Clue Exploded

Chicago, Aug. 31.—The only divorced niece of Marshal Field is the former Mrs. Preston Gibson. Mr. Gibson is at present in Washington.
