

# Do You Want to be a United States Senator?

Up in Washington an effort is being made to defeat a U. S. Senator for re-election, one of the major charges against him being that he is non-progressive and never improved his home town by "nailing two boards together or laying one brick on another."

**NOW** is the time for you to remove one obstacle to your successful candidacy by building a home for yourself or some homeless would-be renter.

#### AMUSEMENTS

Tomorrow evening the people of Eugene will have the opportunity of witnessing something in the musical line far superior to the usual offering when Richard Jose, with his company, come to Eugene for an engagement of one night.

This past season has been one of the most successful for Mr. Jose in the history of theatricals, the company appearing in crowded houses everywhere, from whom come nothing but words of praise.

As for Mr. Jose himself he needs no introduction to the general public, as the older generation have heard him at some time in vaudeville, with high class minstrel companies, or with Denman Thompson's "Old Homestead," with which he traveled for eight years, while those who have not had this opportunity have listened to the old ballads which he has made famous through the talking machines. Any one who has a victrol machine does not consider their list of records complete without Jose's "Silver Threads Among the Gold," "Belle Brandon," "When You and I Were Young, Maggie," etc.

Jose sings his simple melodious ballads of by-gone days in his own inimitable voice and style and they seem to touch the popular strain as they say good-bye to the new songs, and call in chorus for the old until he is compelled by the tumult of the plaudits to sing "Belle Brandon" and "Dolly Gray," at which the whole audience seems to be lifted from its feet and marching in spirit down the village street to the martial melody.

Jose sings as no other has or will. Criticism or comparison are of no importance. There are other singers, different, even perhaps greater, judged by musical standards, but none in this day and generation who can render the old ballads as does Jose.

#### SHOULD DECORATE FOR SHRINERS

The Mystic Shriners are noted for their patriotism, therefore all of our citizens should fly Old Glory next Saturday, September 5, especially along the line of parade. It is suggested also that the yards and streets be cleaned up, as most of the visiting Shriners will be from Portland, and some from Seattle, and as far south as Sacramento, and we want to show them what a beautiful city we have. This is a good chance to give Eugene a splendid boost.
