TOMORROW WILL BE GREAT DAY FOR SHRINERS

FOUR HUNDRED VISITORS EXPECTED ON SPECIAL TRAIN FROM THE NORTH—EUGENE'S STREETS WILL BE DECORATED AS NEVER BEFORE FOR THE OCCASION

Tomorrow will be a great day in Eugene. The Shriners of Oregon, 300 or 400 strong, will be here to have a "hot time," and if they don't have it will not be the fault of the local committees which are getting up the entertainment for the visitors. Great preparations have been made for this event, and the local Shriners and the Commercial Club have been working on it for several weeks past. Surprise after surprise is promised during the day.

The streets will be decorated as never before, and a number of novel features which are being carefully guarded from the public will be introduced in the decorations and parade.

The nobility of Eugene, accompanied by the Military band, will march to the depot and meet the special train from Portland carrying the illustrious potentate and his officers at 11:55 a. m. The visitors will then be escorted by the Arab patrol to the armory, and lunch will be served. After lunch the Shriners will meet for business and the grand parade will be held at 4 o'clock. The ceremonial session will begin at 7:30 o'clock in the armory, at which time a number of novices will hot foot it across the burning sands of the desert. This will be followed by the grand banquet, which will be served in the skating rink. Plates will be laid for 400. All the delicacies of the season from India, Germany, Italy and other foreign countries will be served by chefs imported for the occasion. The train returning to Portland leaves when the banquet is over, some time Sunday morning.

ACTIVITY IN HOP FIELDS OF HARRISBURG

(Special Correspondence.)

Harrisburg, Sept. 4.—Great activity has been displayed in the hopfields of this section this week. The Fugles are all harvested and sold, the growers receiving seven cents per pound. The Boggs Brothers have sold their late hops on the vines for one cent per pound. They will have charge of the work to pick, dry and bale the crop at the expense of the purchaser. It is claimed by the hop raisers that owing to the low cost of cultivation and the reduced rate of picking that seven cents per pound will net them a small profit.

The threshermen of this vicinity as a rule are through with their season's work and the farmers have a large portion of their grain safely housed. The yield is better than common, and with the prevailing good prices the producers are well satisfied with the outcome of their year's work. They have the means to supply all their necessities, a good share for luxuries, and a handsome sum to add to the rainy-day fund. These conditions are potent advertisements for our Oregon country, and should be exploited to the greatest possible extent.

The citizens of Harrisburg were very pleasantly entertained Tuesday and Wednesday evenings by the fine stage acting of the J. H. Hearde stock company at the opera house. Should they favor us in the future they are assured of a full house

W. N. Bucknum and family are in the city, guests of W. C. Wright, who is an uncle of Mrs. Bucknum. Under the stress of a lang watch as head sawyer at the Coburg mills "Jack" is a little out of repair. However, Dr. Dale is fixing him up very rapidly.

AT THE GRAND

The program at the Grand for tonight is made up mostly of comedy, and no doubt will please the many patrons of the theatre. It will be found in another column. FRIENDLY SELLS FIVE ACRES FOR FIVE THOUSAND

S. H. Friendly yesterday sold his five-acre tract of land lying on the east slope of College Hill, just north of the General hospital, to a new corporation just formed by local capitalists, for $5000. The corporation filed articles with the county clerk this morning. It is composed of M. J. Duryea, recently from Fredericktown, Mo., A. C. Dixon, a member of the Booth-Kelly Lumber Company, and E. O. Potter, the well-known attorney. The name of the corporation is the Hill Crest Co. It is their intention to lay the tract off into city lots and place them on the market in the near future. They will first build streets, cement sidewalks and curbings, pipe each of the 26 lots with city water and make other improvements to the property before they attemut to sell the lots. This is a most sightly and beautiful place for a residence.

AMUSEMENTS

Richard J. Jose, for many years the star member of the famous Primrose & West minstrels, in the days of their pristine glory and popularity, was the attraction at the Eugene theatre last night. The train from the south was nearly three hours late and it was nearly 10 o'clock before the curtain went up on the first act of the very funny comedy, "Don't Tell My Wife," but the audience were well repaid for their long wait. It was a lively little play and the company presented it with a dash and a snap that kept the house in a constant uproar.

Mr. Jose, between acts, sang some of his best selections, all of them old and popular, "When You and I Were Young, Maggie," "Dolly Gray," and "Silver Threads Among the Gold," and his voice was as mellow and beautiful as in the days of old. As a popular entertainment, the bill presented last night was one of the best that has been given at the local play house for a long time past.

Eugene theatre, commencing Monday, Sept. 7. The J. H. Hearde Stock Company presents for your amusement a guaranteed attraction, the powerful 4-act drama, "Why Girls Go Wrong." The company is composed of lady and gentleman actors worthy of their calling with a complete scenic effect, handsome wardrobes, with up-to-date specialties between acts. If you miss all others see the best show of the season at the reduced prices of 10c, 20c, 30c. Change of bill nightly. Box office opens at 9 a. m. Monday, September 7.

BRYAN LEADS STRENUOUS LIFE AT FAIRVIEW

Fairview, Sept. 4.—Mr. Bryan is a busy man today. He delivered two dedication speeches, received hundreds of people, talked into a planograph, discussed politics and sandwiched in some work in his office. His most important caller was Herman Ridder, of New York, one of the Democratic campaign managers. Ridder brought flattering reports of the situation in the West, particularly among the farmers.

Mr. Bryan, commenting upon the Middle Bass dispatch that Judge Taft said he would have been better pleased with the election in Vermont had the majority been smaller as the danger of Republican over-confidence would have been lessened, Bryan remarked that he knew several sections of the country where the Republicons were not afflicted with over-confidence.

OVATION TO BRYAN IN SIOUX CITY

Sioux City, Ia., Sept. 3.—Addressing a great Democratic rally here last night, W. J. Bryan, Democratic candidate for president, in the course of a speech on the tariff, guaranty of bank deposits, the labor and trust questions and other government reforms, denounced T. Coleman Dupont, of Delaware, and Senator Boies Penrose, of Pennsylvania, members of the Republican executive committee, as not being expected to become reformers, because, as he charged, of their affiliation with the trusts. Especial attention was given to the reform and trust questions.

Having traveled the entire night and day through Minnesota and a part of Iowa, where he received enthusiastic receptions all along the line, Mr. Bryan arrived here shortly after 8 o'clock last night. From the rear platform of the train at various points in both states he shook hands with many hundreds of persons and made several talks. The chief of these was at Alton, Ia., a junction point, where he discussed at some length the tariff and guaranty of bank deposits.

No sooner did the crowd catch a glimpse of Mr. Bryan as he alighted from the train that he was lastily cheered by several thousand people, and the cheering continued as he rode along the street to the hotel.

VETERANS' REUNION SEPT. 23, 24 AND 25

The officers of the Lane County Veterans' Association met in the office of S. R. Williams yesterday afternoon and decided to hold the next annual reunion of the association on September 23, 24 and 25. Heretofore the reunion has been held each year in June, but owing to the fact that June is a very busy month for many of the veterans, it was decided at the last meeting to change the time to September. Usually two or three hundred old soldiers, residing in all parts of Lane county, attend these reunions.

HUSBAND TOOK LIFE OF WIFE TO GET MONEY

Oakland, Sept. 4.—Captain of Detectives Peterson does not believe the complications in the Donohue murder mystery ever will be cleared up. In his opinion Daniel Donohue took his wife's life or her money, and bases this theory on the fact that Donohue committed suicide rather than face the charge of murder.

Gustave Ahlstedt, alias Arkell, arrested on suspicion, will be held a few days longer.

Oakland, Cal., Sept. 3.—Daniel Donohue, husband of Mrs. Alice Donohue, who was murdered and buried in Emeryville, a suburb of Oakland, and whose body was found Sunday, shot and killed himself at his home this morning. The body was found by Deputy Coroner Sergeant and Deputy Public Administrator Flood, who had gone in search of him. Donohue had been forced to give proof this afternoon of his marriage to the woman. He had already made application for $9000 cash in the bank and the life insurance of $3700 left by Mrs. Donohue, and was under subpoena to appear as a witness at the inquest which met this afternoon. When he did not appear a deputy was sent to get him.
