

DO YOU GET UP WITH A LAMBE BACK?

Kidney Trouble Makes You Miserable. Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but it will cure kidney, liver or bladder trouble if you have found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y.

AMUSEMENTS

"HER ONE GREAT SIN."

The next attraction at the Eugene Theatre will be "Her One Great Sin," which is a society comedy drama in four acts and will be presented here next Saturday, September 12th, for one night only, by an excellent company of metropolitan players, headed by Miss Florence Stanley, who is a beautiful and talented actress and has been identified with many of the great New York productions, including "The Virginians," in which she treated a prominent part and was last season the leading lady in the big automobile racing play, "Bedford's Hope."

The play is one of the recent successes in England and the story is a powerful one and full of dramatic interest and abounds in good, wholesome comedy and teaches a good moral lesson, for it vividly portrays the temptations of life.

FOR SALE, EXCHANGE OR LEASE

Having concluded to retire from the lumber business I offer for sale, lease or will exchange for Eugene or Portland income property, my sawmill, sawmill site, booms, lumber sheds, office, planers, dry kilns and all tools connected with the business. Mill located at river bridge in the centre of Eugene city, east and west, and only three blocks from the S. P. R. R.

This is a fine opportunity for some one to go into the lumber business, as there is always a big local demand for all slabwood, sawdust, shavings, cull lumber, as well as the better grades of lumber. Logs are cheap, labor cheap, lumber high.

A good millman can make this property pay for itself in two years, and if he will operate day and night in one year. Greatest opportunity in this part of Oregon for a mill man; best located mill in the state. Capacity, 20,000 feet in ten hours.

When you have this mill you are at the market. Planer and dry kiln—everything needed to make lots of lumber and lots of money. Give this your early attention if interested in a lumber proposition. I am sure you cannot beat it in the state. The quicker you act the surer you are of making your fortune, for this is a chance in a lifetime.

DIED

The cause of death was heart trouble, from which she had suffered for several weeks. She leaves, besides her husband, four brothers, Mike Cosgrove, of this city, three others at Ontario, Canada, and a daughter. The funeral will be held at the Catholic church Sunday at 2 p. m. with interment in the Catholic cemetery. Mr. and Mrs. Broders were married only last January.

WILLAMETTE MAY NOT SECURE COACH

It is doubtful from the present outlook, if Willamette university will have a football coach for the coming season. At the present time it seems that the work of securing a competent coach is at a standstill. With plenty of excellent material on hand the need of a good coach is most apparent.

Glen Unruh, manager of athletics, has been working to secure a coach, but his negotiations were stopped by the board of trustees, which said that it would see to the matter. It seems that the athletic manager has been curtailed in his power and that an athletic counsel will take charge of affairs. At present this leaves the authority in the hands of President Homan, who is absent from the city at the conference at Wenatchee, Washington.

How to Get Strong

P. J. Daly, of 1247 West Congress street, Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters that I feel it is my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted. Insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints.
