"I Have the Fullest Confidence in the Efficacy of Pe-ru-na."

A War Veteran's Tribute to Pe-ru-na. Dr. Schwickardi, Capt. 88th N. Y. Vol. Inf., writes from 1818 G St., Washington, D. C., as follows:

The fullest confidence in the efficacy of Peru-na, both as a remedy for catarrhal trouble, I commend its use in the public interest. It should be in every household.

Left Aliments. I was, 801 Morgan St., member Frank P. Blair of the Army of the Republic, writes:

Some people prefer to take tablets, rather than to take medicine in a fluid form. Such people can obtain Peru-na tablets, which represent the medicinal ingredients of Peru-na. Each tablet is equivalent to one average dose of Peru-na.

SYNOPSIS OF THE STATE'S GAME LAWS

The season for hunting female deer opened September 1 and continues till October 31. The open season for buck deer opened July 15 and will close October 15. The following is a synopsis of the game laws:

The law gives hunters having licenses the right to shoot up to five buck deer between the dates except in Baker, Coos, Curry, Grant, Harney, Malheur, Umatilla, Union and Wallowa counties. In Coos and Curry the open season for buck deer is from July 15 to October 15.

China pheasants, native pheasants, quail and grouse may be shot between October 15 and November 30. In Clatsop, Curry, Coos, Josephine, and Tillamook, however, the season for these birds opens September 15 and closes November 30.

The bag limit for ducks is 50 in one week, for upland birds ten in one day, while for geese and swan there is no limit.

It is always unlawful to offer for sale, barter, exchange or ship beyond the boundaries of the state of Oregon, any deer, moose, mountain sheep, elk, silver gray squirrel, swan, prairie chicken, grouse and all kinds of upland birds and ducks.

China pheasant may not be killed in Jackson county at any time. Female deer may not be killed in Coos and Curry counties. It is against the law to kill quail or Mongolian pheasants east of the summit of the Cascades until January 1, 1909.

The fine for transporting game outside the state, and for its sale is from \$10 to \$500 and imprisonment. Violation of the game laws calls for a fine of from \$15 to \$500 and hunting without a license is punishable upon conviction by a fine of from \$25 to \$500 and imprisonment upon the discretion of the court.
