### CUTICURA PROVED ITS WONDERFUL EFFICACY

"I am now eighty years old and one morning, three years ago, I was taken with a hard pain in my right side. In two days I had an attack of piles (hemorrhoids), bleeding and protruding. The doctor gave me some medicine and an ointment for them which helped me some but I had to keep using them all the time. Then I changed to the P— remedy; but if I did not use it every day, I would get worse. The doctor said the only help for me was to go to a hospital and be operated on. At this time, about a year ago, I went to the S— remedies. I tried them for four or five months but did not get much help for my piles. During this time sores would come on a fleshy part of my body. They bothered me all the time. I would get one healed and another would come. These sores changed to eczema, accompanied by a terrible itching. It seemed as if I could not keep my hands from tearing my flesh. This and the pile trouble brought on an inflamed condition. I then I got the Cuticura Remedies. I washed the affected parts with Cuticura Soap and warm water in the morning, at noon, and at night, then used Cuticura Ointment on the irritated surfaces and injected a quantity of Cuticura Ointment with a Cuticura Suppository Syringe. I also took Cuticura Resolvent Pills three times a day. It took a month of this treatment to get me in a fairly healthy state and then I treated myself once a day for three months and, after that, once or twice a week. It is fortunate that I used Cuticura. The treatments I had tried took a lot of money that I would have saved by using Cuticura Remedies sooner, but I am wiser now. I am supplied with a full set of the Cuticura Remedies and would not feel safe without them. J. H. Henderson, Hopkinton, St. Lawrence Co., N. Y., Apr. 26, 1907."

## OREGON VICTORS WELCOMED AT PORTLAND

Crowns of laurel leaves, more modern and spectacular, of course, than the simple token of victory of ancient Greece, were pressed upon the brows of Oregon's victorious athletes last night upon the triumphal return of Smithson, Gilbert and Kelly from the Olympian games in London, says the Oregonian.

All Oregon joined in the demonstration and no Olympic winner, even in the days when poets sang of heroes and of men who sailed from the shores of Troy to bring back honor, ever received a more royally enthusiastic welcome on his homecoming. On their journey across the continent honors and attentions were heaped upon them, and on their entrance into their native state admiring multitudes contended to do them homage.

Pageant Is Gorgeous One  
In Portland last night enthusiasm reached a climax in a gorgeous pageant, rivaling in spectacular brilliancy and display any similar scene that has been presented in this city. Aged men and women participated, children took part and small boys yelled themselves hoarse in an intoxication of admiration.

Flags of all nations, with the Stars and Stripes predominating, floated from every window throughout the day, and miles of bunting added to the gala appearance of the city. Torches, transparencies and flambeaux, mingling their glow with the sparks and sudden gleam of rockets and Roman candles, threw a lurid illumination upon the decorations at night.

Thousands Line the Streets  
The most spectacular feature of the demonstration was the big parade. Thousands of persons witnessed it and thousands cheered it as it passed. In every street through which the parade passed sidewalks were lined, while windows and every available point of vantage was crowded.

Before the parade the victorious trio were honored guests of the Commercial Club, where they dined and enjoyed an informal reception. The demonstration concluded in a final burst of enthusiasm at Multnomah Club, where a spectacular review of the parade was held on the athletic field, and where speeches extolling their deeds were made and they were officially welcomed in behalf of the city by Mayor Lane, and Colonel Jas. Jackson, representing Governor Chamberlain.

The Oregon members of the winning team that brought honor to America at the London games arrived in Portland yesterday afternoon at 5:15 o'clock. They were met at the Union station by a reception committee representing the various interests which had organized to welcome them on their return. The committee was composed of George McMillan, president of the Multnomah Club; H. E. Judge, General Charles F. Beebe and Rev. A. A. Morrison.

College Songs and Flags.  
Huge signs on wagons, such as "Smithson, Gilbert, Kelly—What They Ain't Isn't!" made immense

hits with the crowds. College songs, whistled and banners fluttered as the tallyhoes of the various universities passed along the streets.  
Among these tallyhoes were those of the University of Oregon, Oregon Agricultural College, Oregon University, Pacific University, Portland Academy, and three others bearing the colors and classmates of Ernest Smithson, while the famous hurdler was a student at the Oregon Agricultural College. Other carriages, automobiles, tallyhoes and various vehicles, containing admirers of the three champions, and of the various fraternal and athletic organizations of the city, followed in such numbers as to make a parade several miles in length.

### Notice to Delinquent Taxpayers

Delinquent taxpayers are therefore advised that if they have not paid at least one-half of their taxes on or before the first Monday in April that the same are delinquent and have been delinquent since said first Monday in April, and those who have paid one-half of their taxes as above the remaining one-half will become delinquent after the first Monday in October, and six months from such date a certificate of delinquency bearing fifteen per cent interest per annum may be issued against your property.

## MEXICO CELEBRATES INDEPENDENCE DAY

City of Mexico, Sept. 15.—Mexico today entered upon its customary two-days' annual holiday in celebration of the birthday of President Diaz and the anniversary of Mexican independence. At the National Palace today the president received the diplomatic corps, the officers of the army, civil officers and others who came to offer their felicitations.

Tonight the time-honored custom of repeating the Grito of Hidalgo occurs at 11 o'clock, when the president appears in the central balcony of the palace to ring the independence bell. This ceremony ushers in the celebration of Mexican Independence Day.

Thus far nothing in the way of public disorder has been reported and none is expected, though the authorities have taken extraordinary precautions in view of the widely circulated reports of impending trouble. Troops have been distributed all along the border, and inspections remote from large cities. In the border cities all saloons were ordered closed at noon today and are to remain closed over tomorrow.
