### AMUSEMENTS

**A Play For The Times.**  
A play of genuine and soul-inspiring interest, one which appeals to the most forcible and impressive manner to the subtle passions and instincts of the human heart and at the same time abounds in all the eloquent and alluring elements of wild romance and dramatic fascination, with a strong seasoning of wit and humor, is one for which a fastidious and exacting public has been sedulously laboring to supply this demand, which hitherto has effectually scaped their most strenuous and determined efforts. But patience and perseverance are potent magicians:

curtain did not rise until 10 o'clock, but those who waited for the show were well repaid for the (irrespective delay. The music was catchy and the dialogue funny enough to keep the house in an uproar.

The supporting company will be of unusual artistic strength and ability. The play, the star and company, will be seen at the Eugene theatre on Thursday, September 24.
