GOOD OUTLOOK FOR HIGH SCHOOL FOOTBALL

The outlook for football at the high school is exceptionally bright this year. A meeting was called this afternoon for those who intended to try for the team and fifty-two turned out.

Principal Hug addressed the meeting this afternoon and spoke of several requirements necessary to make the team, among them being no smoking, no profanity, and a good standard in studies.

BURGLARS BREAK INTO OFFICES OF THREE FACTORIES

CANNING FACTORY, IRON WORKS AND EXCELSIOR MILL BURGLARIZED LAST NIGHT—THIEVES SECURED LITTLE FOR THEIR TROUBLE.

Last night the offices of three manufacturing institutions of the city, the Allen cannery, the Frazer iron works and the excelsior mill, were entered by burglars and safes and drawers rifled, but there was nothing of any great value taken.

The thieves entered the cannery and excelsior mill offices through windows and forced the lock at the iron works. At the last named place the safe, which is kept unlocked at all times, was rifled and Mr. Frazer's papers scattered all over the floor of the office, but nothing was missing.

After being apprised of the burglaries this morning Chief of Police Farrington visited the hobo camp on the river bank in the rear of Midgley's planing mill and found 14 knights of the tie route. He lined them all up and searched each one, but nothing of a suspicious nature was found.

UNIVERSITY OPENS FOR FALL WORK TOMORROW

Everything is in readiness for the opening of the University tomorrow. Tuesday and Wednesday are for general registration, and Thursday regular college work begins.

The campus has been greatly improved since last spring, and such improvements have been made to the buildings as could have been made since the passing of the university appropriation bill last June.

BOOST; DON'T KNOCK!

Eugene, Or., Sept. 21, '08. The worst of the empty dinner pail will soon begin to fill up. Let us all talk prosperity and work for prosperity.

Let us not lay it onto any individual. A candidate for office who will predict that if the majority elect someone else there will be a panic, is not a patriot.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease.

Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kumer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and stalling pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail.
