ACCIDENT TO STEAMER ROBARTS ON SIUSLAW

RUDDER LOST, BUT VESSEL WAS TOWED SAFELY BACK TO FLORENCE WHARF BY TUG—LOCAL AND PERSONAL NOTES OF LOWER SIUSLAW.

Wednesday afternoon the steamer Robarts left the wharf at Florence for a trip to Coos Bay. The vessel proceeded down the river and was very close to the bar and near the south side of the channel when she stuck bottom. The tide was rising and the signal was given to back the engines. The boat succeeded in backing off and had just got into deep water again when the rudder broke making it impossible to steer the vessel. The rising tide carried her up the river near to the end of the jetty where the anchor was dropped and the vessel held in safety. ot long afterward the steamer Roscoe came in on her way back from Coos Bay and towed the Robarts back to Florence.

Mr. Palmer and wife of New York city, who have been with E. H. Harriman and family at Klamath Falls arrived here yesterday from the east and leave this morning for a trip down the coast. They are traveling for their health with a team and buggy and intend to drive down the coast to California. Mr. Palmer is a banker and is extensively interested in railroading.

At length the board of directors of Florence district have elected a full corps of teachers for the different departments and school will open next Monday. The teachers engaged are as follows:

DISCUSS IMMIGRATION AND OTHER MATTERS

Halifax, N. S., Sept 21.—The effect of immigration upon trade conditions in Canada is the all-important subject to be discussed at the twenty-fourth annual convention of the Trades and Labor Congress of Canada, which convened in this city today with a large and representative attendance. Other important matters to receive attention are heoafsorgehl4Hnir shrdlu hrdlu rd amendments to the election act, cooperation, eight-hour legislation, senate reform, and old-age pensions.

The congress was called to order in the legislative council chamber at 10 o'clock this morning by the president, Alphonse Verville, M. P. The roll call showed an attendance of more than 150 delegates, representing labor bodies in the chief cities from Halifax to Vancouver. The exchange of greetings and the work of organization occupied the opening session. Reports of the various officers show o gratifying gain in membership and a steady advance in the progress of the labor movement throughout the Dominion.

STOVE FIRES BULLET INTO TEACHER'S LIMB

Lebanon, Or., Sept. 19.—Miss Bessie Turniabe, a school teacher at Lacomb, was shot in the left leg yesterday as the result of a cartridge being put into the stove by mistake. She had just swept the floor and it is presumed emptied the .38 calibde cartridge into the cook stove along with the other sweepings. As there was a hot fire, the cartridge exploded almost instantly, the cartridge ened almost instantly, the ball entering the leg just below the knee. A physician was called from Lebanon. The injured woman is getting along nicely and it is thought will be able to walk again in a few days.

A Paying Investment;

Mr. John White, of 38 Highland avenue, Houlton, Me., says: "Have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50-cent bottle of Dr. King's New Discovery. Before that was half gone the cough was all gone. This winter the same happy result has followed; a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." Sold under guarantee at W. A. Kuykendall's drug store, 50c and $1. Trial bottle free.
