FOR SALE, EXCHANGE OR LEASE

Having concluded to retire from the lumber business I offer for sale, lease or will exchange for Eugene or Portland income property, my sawmill, office, planers, dry kilns and all tools connected with the business. Mill located at river bridge in the centre of Eugene city, east and west, and only three blocks from the S. P. R. R.

This is a fine opportunity for some one to go into the lumber business, as there is always a big local demand for all slabwood, sawdust, shavings, cull lumber, as well as the better grades of lumber. Logs are cheap, labor cheap, lumber high.

A good millman can make this property pay for itself in two years, and if he will operate day and night in one year. Greatest opportunity in this part of Oregon for a mill man; best located mill in the state. Capacity, 20,000 feet in ten hours.

When you have this mill you are at the market. Planer and dry kiln—everything needed to make lots of lumber and lots of money. Give this your early attention if interested in a lumber proposition. I am sure you cannot beat it in the state. The quicker you act the surer you are of making your fortune, for this is a chance in a lifetime.
