

A Careful Man Protects His Family

By carrying a Life Insurance Policy. This is a wise plan and we have no criticism to offer.

The first necessity for a family however is a **HOME**. If you have gone this long without one, you should not delay another day. **MATERIAL** of all kinds is advancing, but is still reasonable. If you need a home and don't take advantage of this opportune time to build then get the insurance anyway for you surely are a **DEAD ONE**.
