

# IT PAYS EVERY MAN TO CARRY HEALTH and ACCIDENT INSURANCE

Monthly Benefits range from \$15.00 to \$100.00 per month, according to occupation, and amount of insurance desired. Our policies cover more causes of disability than those of any other Company, and, in addition to the above, we pay a specific indemnity based on the occupation of the insured and amount of insurance desired, from \$100.00 to \$1000.00 for loss of Limb, Sight or or Life. Costs from \$1.00 per month up, according to amount of benefits desired.

See what Mrs. Kate Taylor has to say about us. This is just a sample of the letters we receive every day.

Mr. L. J. Walcott, District Manager, Eugene, Oregon, Sept. 25th, 1908. Continental Casualty Co., Eugene, Oregon.

Dear Sir:— I wish to thank you and the Continental Casualty Company for the \$400.00 draft which you gave me today, which covers in full the claim for the accidental drowning of my husband, Arthur E. Taylor, in the McKenzie river recently. I have received most prompt and liberal treatment from your company; my husband had only carried his policy with you for about forty days, and had only paid his first month's premium of \$1.25 a short time before his death occurred. You have given this claim just as prompt attention as though my husband had been a policy holder with you for many years, instead of so few days. I am indeed surprised to receive my check for \$400.00 today, as I only sent you the final proof papers last Saturday night, Sept. 19th.

I certainly can and do heartily recommend the Continental Casualty Company, and you as their district manager, to everyone who needs accident and health insurance. Your company justly deserves the excellent reputation they have for prompt and liberal treatment to all its policy holders and I sincerely hope that you will continue to have success in your work in securing new policy holders in this territory and elsewhere.

Again thanking you and your company, I beg to remain, Very sincerely yours, MRS. KATE TAYLOR. Eugene, Oregon.

Represented by I. J. WALCOTT, District Manager. 559 Willamette Street, Eugene, Oregon.

## BURGLAR ENTERS GOULD RESIDENCE LAST NIGHT

A burglar entered the residence of G. D. Gould at the corner of West Fifth and Olive streets last night and took \$3 from Mrs. Gould's purse, leaving a \$10 gold piece in the bottom of the purse. The loss was discovered this morning when Mrs. Gould went to get some money from her purse. It was then seen where the burglar had entered the house through a window and ransacked several rooms in the house. This was all done while the family was asleep, none of them hearing a noise. Coke Bilyeu, who is night watchman for the paving company, says he saw a man come out of the Gould house early this morning, but thinking it was one of the Gould boys, paid no attention to him.

## ATHLETIC COUNCIL HOLDS MEETING

The athletic council of the University met this morning and voted on two interpretations of rule 11, governing the athletic relations of the colleges in the Northwest conference. The rule deals with the ineligibility of students to take part in athletics when they remove from one college to another until they have been enrolled for one year. The questions that were voted were, first, shall the rule apply when a student of one college stays out of college one year, and then re-enters another one? and second, shall the rule apply to students who are not athletes? The council voted "yes" on both questions.

## DR. S. D. READ HOME FROM THE EAST

WELL-KNOWN DENTIST TOOK A POST GRADUATE COURSE IN HASKELL SCHOOL AT CHICAGO

Dr. S. D. Read, the dentist, returned last night from an extended trip East and South, taking a month's post-graduate course in the Haskell post-graduate school of dentistry at Chicago while gone, working under such men as Dr. Beam, the special extractor, Dr. Taggart, the inlay man, and Dr. Keene, the porcelain man. He brought back with him the latest instruments and appliances known to the dental profession and will be in a better position than ever before to do the latest and most up-to-date work. Dr. Read has always been a popular dentist in Eugene and now his popularity will doubtless be even greater. Dr. and Mrs. Read had a very pleasant trip, visiting all the principal cities of the east and going as far south as Georgia and north up into Canada. The doctor is very glad to get back home and says there is no country like Oregon.

salaries, there is a possibility that the end will be disqualified. Coleman has established a reputation by his playing, not only for Oregon, but for Willamette University in previous years, and his loss will be a heavy one to the team.

Another Candidate—A new man from California by the name of Wiedland came in yesterday to register in the University. As his weight is 210 pounds, much is expected from him on the gridiron. He has had considerable experience.

Vernox Gillis, an old-time centre, who has been expected for some time, was out yesterday in a suit, and promises to make good at his former position.

Last night 43 men were out for practice, and the two coaches had their hands full. "Jack" Owsley, a former Yale star, will arrive next week to visit Forbes, and will take a part in the coaching.

## CRESCENT STORE HAS FORMAL OPENING

The Crescent store, formerly the Bon Marche, was formally opened to the public last night after having been closed for several weeks in order that the interior of the place might be arranged and improved. The opening was attended by several hundred people. An orchestra furnished sweet music and accommodating clerks showed the throngs through the store, which is one of the handsomest in the city, in fact, in the state. The stock was considerably reduced during the sale conducted by W. L. Souder, the former proprietor, giving the newcomers, Messrs. Campbell and Wolfe, much more room in which to display their wares. The interior of the store was brilliantly illuminated for the occasion and it presented a beautiful appearance. Mr. Souder made a splendid success of the business and the Guard speaks for the new proprietors a continuance of the large business which has been built by hard work and honest trade methods.
