HERMAN RIDDER NEW TREASURER OF DEMOCRATS

New York, Sept. 26.—Herman Ridder, one of the foremost German-American citizens of the country, was tonight appointed by Chairman Mack of the Democratic National committee as a treasurer of the committee, to succeed Governor C. N. Haskell of Oklahoma, who resigned early this morning because of the charges brought regarding his affiliation with the Standard Oil Company.

In selecting Ridder Chairman Mack acted on express orders from W. J. Bryan. Ridder will at once take hold of collecting campaign funds for the Democratic national campaign.

In choosing Ridder, Bryan and Mack passed over the claims of Moses Wetmore, chairman of the Democratic national finance committee and other aspirants. August Belmont is understood to have suggested Ridder, even before Bryan ordered his appointment. Belmont was said to have been offered the place by Mack today during a long conference at the Hoffman House.

HERMAN RIDDER.

Soon after Belmont parted from Mack a message came to Mack from Bryan ordering Ridder's selection. The formal announcement was made by Mack at the Hoffman House just prior to his departure for Buffalo at 9 o'clock tonight.

"I think we now have a treasurer who will not be subjected to the merciless attacks that have been hurled against Haskell," said Chairman Mack. "Anyway, Ridder is all right," he added as he boarded a train for Buffalo.

When seen at his home tonight, Ridder declined to make any statement on his appointment further than that it had come from Mack rather than from Bryan of the Democratic committee. He indicated that he would accept the trust, but declined to give any information as to what methods he would pursue.

Notice to Delinquent Taxpayers

Delinquent taxpayers will take notice that delinquent taxes will not be advertised as heretofore; under a law passed by the last legislature of this state taxes that are delinquent after the expiration of six months from the first date of such delinquency may be paid by any one demanding to pay same and a certificate of delinquency will be issued to such party.

Section 37 of said law, in part, reads:

"Any day after the expiration of six months after taxes charged against real property are delinquent the tax collector shall have the right, and it shall be his duty, upon demand and payment of the taxes, penalty and interest, to make out and issue a certificate or certificates of delinquency against such property," and section 38 in part reads: "Certificates of delinquency shall bear interest from the date of issuance until redeemed at the rate of 15 per cent per annum. * * *."

Delinquent taxpayers are therefore advised that if they have not paid at least one-half of their taxes on or before the first Monday in April that the same are delinquent and have been delinquent since said first Monday in April, and those who have paid one-half of their taxes as above the remaining one-half will become delinquent after the first Monday in October, and six months from such dates a certificate of delinquency bearing fifteen per cent interest per annum may be issued against your property.

To save further costs, penalties and interest you are earnestly requested to settle the same at once.

H. L. BOWN,
Sheriff and Tax Collector.
