DAY & HENDERSON SELL OUT TO PORTLAND FIRM

PIONEER FIRM WILL RETIRE FROM FURNITURE BUSINESS—NEW OWNERS OF STORE ARE YOUNG MEN WHO HAVE BEEN CONNECTED WITH WHOLESALE HOUSES

The furniture business of Day & Henderson in this city has been sold to L. R. Flint and A. W. McLaughlin, young men from Portland, who will take charge of the store as soon as an inventory, now being taken, is completed. The new proprietors of the store will conduct their business under the firm name of the Flint-McLaughlin Company. Mr. Flint has been employed as a traveling salesman for the F. S. Harmon Company for the past many years, and has been visiting Eugene at regular intervals for a long time, consequently being well known here. Mr. McLaughlin has been employed by the I. F. Powers Furniture Company at Portland. They both know the furniture business thoroughly and will doubtless make a success of their new venture. They are married men and will bring their families here to reside.

Messrs. R. M. Day and R. B. Henderson have been in the furniture business here for many years, and are considered the pioneers in that line. They occupy the entire lower floor of the Day building at the corner of Seventh and Willamette streets, and have a large stock. They will retain their undertaking business and conduct it in connection with the store, the chapel and work rooms being in the rear portion of the building. Day & Henderson, by square business methods, have enjoyed a splendid trade and are now able to retire from active business life.

The present stock in the store will at once be greatly added to. A carload of furniture arrived for the new firm only this morning and several more are expected shortly.

IRVING NOTES

(Special Correspondence.)
Irving, Sept. 29.—Elmer Grayville left here this morning for Manitoba, Canada, where he expects to locate and make his future home, if he finds things as he expects. May success go with him.

Professor Ball, lately from Tacoma, Wash., has purchased 6 1/2 acres of land of Harry Winner, and will proceed at once to erect a residence and take up his abode among us. He and his wife are occupying rooms at present with Mrs. Yates.

Lewis Holtzman and wife returned to Portland yesterday, after spending their vacation with their relatives in the S. P. machine shops, and is doing well.

The evaporating plant belonging to the Allen Orchard Company, located at this place, is being operated to its full capacity day and night, and they are turning out an exceptionally fine quality of dried fruit.

The warehouse season is now practically over, and there is more grain and hay stored here than in any one season for several years past, and at the same time many of the farmers have put up their entire crop at home and as prices for farm products are good, there is no reason why the farmer should not be prosperous.

A few good carpenters could find employment at Irving at this time, as of construction and the right kind of of construction and the right kind of help is scarce.

Richard Cook, our enterprising feed miller and wood sawyer, has been having all that he can attend to this summer and fall, and has worked out for some time ahead.

The Irving Mercantile Company is enjoying a fine trade this fall. The only trouble they have is finding time to eat and sleep.

The new residence being constructed by M. N. Gent is fast assuming shape, and is going to be a very imposing and commodious structure. It will be a credit to the entire neighborhood, as Mr. Gent is sparing no pains or expense and is going to have a home well worth being proud of.

BOOST; DON'T KNOCK!

Eugene, Or., Sept. 21, '08.
The worst of the recent panic is over, the empty dinner pail will soon begin to fill up. Let us all talk prosperity and work for prosperity. Either Bryan or Taft will be elected, and no matter which one the majority of the voters choose, times will continue to get better. It is a moral crime to predict a panic, for a panic means poverty, bankruptcy, suicide and untold suffering. We have recently had enough of it.

Let us not lay it onto any individual. A candidate for office who will predict that if the majority elect someone else there will be a panic, is not a patriot. A politician or newspaper who will endeavor to create a panic for political reasons should be punished as a criminal.

Let us all be patriots and work for a return of prosperity and it will make no difference whether Bryan or Taft is elected. Boost! Don't Knock!

A Paying Investment

Mr. John White, of 38 Highland avenue, Houlton, Me., says: "Have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50-cent bottle of Dr. King's New Discovery. Before that was half gone the cough was all gone. This winter the same happy result has followed; a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." Sold under guarantee at W. A. Kuykendall's drug store, 50c and \$1. Trial bottle free.
