### MORE WORD FROM OLD BILL OBEIDIAH

(Special Correspondence.) Mapleton, Sept. 27.—Weather fair and cool, with some frosts, but not sufficient to do any good. The fish run here on the Siuslaw river has been very light so far. The steamer Hazel takes down to the Co-operative Union fish cannery every morning from one to three tons of salmon. They get the bulk of the salmon that is caught here on the river.

Well, Mr. Editor, I agreed in my last letter to you to tell you more about our prospect in the campaign, but the old plutocrats cannot keep still. It looks as though every time we get in shape to accomplish something some one or more must chip in and spoil our calculations. Ever since Roosevelt agreed to not accept the nomination for president again, we thought, yes, and even expressed our thoughts, that he (the president) was a fair average man, but just see what he and old Hearst are doing with and to our president and treasurer of the campaign. See what they accuse our dear treasurer, Mr. Haskell, with. Now, Mr. Editor, suppose he is a little oily. Would not we do about the same thing under the same circumstances? They say, whiskey talks. Yes, and money at least whips men round at times. If anybody doubts it let them bring a good-sized bunch down here on the Siuslaw and try some of us natives once just for luck and satisfaction. Yes, and that plutocrat editor of the Eugene Register must chip in and tell the people that the foxy old editor of the Salem Journal, the independent, is doing all he can for our dear and loving old party. Well, he is perfectly right in so stating, but what business is it of his? Why could he not have kept still? We well know that he is getting quite a lot of the weak element of the party by playing independent. Why could he not have kept still? For God knows we will need all we can get. I suppose he wants to imitate Roosevelt and old Hearst. Well, I will chop off for this time.

### OLD BILL OBEIDIAH, A Democrat.

**How to Get Strong**  
P. J. Daly, of 1247 West Congress street, Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters that I feel it is my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. # S.S.S. FOR BAD BLOOD

When bad blood is caused from an infection of the circulation by the virus of Contagious Blood Poison, it usually shows in the form of ulcerated mouth and throat, copper-colored spots on the body, swollen glands in the groin, falling hair, sores and ulcers, etc. These general symptoms, affecting all parts of the body, show how deeply poisoned the blood becomes, and emphasizes the dangerous character of the trouble. If allowed to remain in the system the disease will finally wreck the health and break down the strongest constitution. No medicine can cure Contagious Blood Poison which does not rid the circulation of every particle of the virus. S. S. S. is the one real and certain cure; it goes down to the very bottom of the trouble, and by removing every trace of the poison, and adding rich, healthful qualities to the blood, forever cures this powerful disorder. S. S. S. is the most reliable of all blood purifiers, and its concentrated ingredients of healthful vegetable extracts and juices especially adapt it to curing this insidious trouble. Write for our home treatment book, which is a valuable aid in the treatment of the different stages of the disease, and ask for any special medical advice you wish. No charge for either.
