NEW VOCAL TEACHER AT THE UNIVERSITY

MISS STINSON WILL REMAIN IN NEW YORK ANOTHER YEAR AND MISS GRACE CAMPBELL WILL TAKE HER PLACE

Miss Eva Stinson, who was selected as teacher of voice culture at the University of Oregon for this year, has sent word to Professor I. M. Glen, dean of music at the institution, that she desires to remain in New York another year and cannot accept the position. In her place will be Miss Grace Campbell, of Portland, who is a pupil of Mrs. Walter Reed. She is a dramatic soprano, and her singing has been highly praised by all the music critics who have heard her. Mrs. Reed highly recommends her. Many Eugene people have heard her in the choir of the Grace M. E. church at Portland.

BANKER OSBURN RUN DOWN BY AUTOMOBILE

F. W. Osburn, cashier of the Eugene Loan & Savings Bank, was run down by an automobile on Willamette street in front of the Hampton store last evening about 8 o'clock and severely, but not seriously injured. He was riding along the street on his bicycle when the machine, driven by Miss May VanWinkle and occupied by her brother, J. M. VanWinkle, Elmer Sweeney and Miss Lizzie Knox, came around the corner from Eighth street and bore down upon him. He attempted to turn into the sidewalk but the auto continued to head for him. Miss VanWinkle seemed to have lost control temporarily of the machine and in an instant it was upon Mr. Osburn. He was thrown under the wheels of the machine, which was stopped a few yards beyond. Mr. Osburn was picked up and taken to his home. Dr. Kuykendall was called and made an examination of the injuries. He found that Mr. Osburn's face and limbs were badly scratched and bruised, but that no bones were broken. He is feeling better today, but will be unable to be out for several days. Miss VanWinkle fainted away after the accident and it still almost prostrated. She was in no way to blame.

Last winter I tried many advertised remedies, but the cough continued until I bought a 50-cent bottle of Dr. King's New Discovery. Before that was half gone the cough was all gone. This winter the same happy result has followed; a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies."
