## WILLAMETTE VALLEY LANDS ARE WHEATED TO DEATH

### IRRIGATION EXPERT SAYS FAR- MERS SHOULD CUT OUT THE WHEAT—13 ACRES PRUNES ARE CLEARING MORE MONEY YEARLY THAN 200 ACRES OF GRAIN.

Mr. and Mrs. Arthur P. Stover, of  
Portland, were in Corvallis Wednes-  
day, says the Times. Mr. Stover is  
was at the Long Tom farm stinging up  
the result of the artificial watering  
there. He is of the opinion that some  
time in the distant future a great  
canal heading somewhere above Eu-  
gene, will carry water to this entire  
section and make it as productive as  
it should be. Mr. Stover is not slow  
to voice a protest at the profitless  
and overrating wheat raising in this  
section. The land has been "wheat-  
ed to death," wheated so long and  
continuously that one can scarce-  
ly raise an umbrella on much of it. If  
most of it was placed to clover, and  
given a rotation of crops, it would be  
restored in five years. Mr. Stover  
says Washington county people  
scouted the worth of irrigation, but  
are now coming around to it. An  
object lesson was a tract of irrigated  
clover from which the fourth crop is  
now being taken. One crop without  
irrigation to four with irrigation  
ought to prove something. The mat-  
ter of wheat raising in this section  
suggests the following from a Mc-  
Minnville paper, which says:

"Why are thirteen acres bringing  
a better income than two hundred  
acres? Both tracts are well culti-  
vated; both excellent soil; both are  
three miles from North Yamhill;  
both have been cropped for ten years  
past. But the thirteen acres with  
less labor and less expense have  
averaged a better net income than  
two hundred acres? Ten years thir-  
teen acres—prunes; ten years, two  
hundred acres, grain. Any limit  
there for grain raisers? Go ask  
Preston Busbee of North Yamhill, or  
call him up by phone. He owns  
thirteen acres and the place is not  
for sale. When he desires he takes  
his family to Southern California for  
the winter. It is not recorded that  
the 200-acre owner can do so."

### SPRINGFIELD PEOPLE HAVE BIG TIME AT MONTGOMERY'S

Mr. and Mrs. Will Washburne, of  
Juniper City, Mr. and Mrs. J. L.  
Clark, Mr. and Mrs. B. A. Wash-  
burne, Mr. and Mrs. Will Cheshire,  
are spending the week at Montgom-  
ery's hotel, 35 miles up the McKen-  
zie, says the News. It is said that at  
this time of the year the hotel is  
crowded and it was necessary to put  
the entire party in one room. Short-  
ly after they retired the crowd down  
stairs, who were less fatigued, start-  
ed dancing. This made Jim Clark  
feel young again, and he jumped out  
of bed and to the amusement of the  
rest of the party danced the "can-  
can" in his nightie. The music also  
inspired Bill Cheshire, who gave them  
a sample of his ability along the same  
line. After growing exhausted he  
picked up his coat and carelessly let  
a bottle drop to the floor. The con-  
tents were past saving, but as he  
claimed it was only gun oil, the ex-  
planation was accepted. Later he  
went down stairs and was gone for a  
considerable length of time, and  
when he came back he could not find  
his bed. After trying to get into ev-  
ery bed in the room, it is reported,  
Will at last gave up in despair and  
crawled off in a corner by himself.  
The crowd are having a fine time,  
and the picture of Jim and Will do-  
ing the "can-can" will be repro-  
duced at the Gem theatre in the near  
future.

A new five-mile automobile record  
is reported to have been made at He-  
lena last week, a White steamer  
owned by C. M. Blair, of Billings, go-  
ing five miles on a circular flat  
track in 4:54.

### DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.  
Almost everybody who reads the news-  
papers is sure to know of the wonder-  
ful cures made by Dr.  
Kilmer's Swamp-  
Root, the great kid-  
ney, liver and blad-  
der remedy.  
It is the great med-  
ical triumph of the  
nineteenth century;  
discovered after years  
of scientific research  
by Dr. Kilmer, the  
eminent kidney and  
bladder specialist, and is wonderfully  
successful in promptly curing lame back,  
uric acid, catarrh of the bladder and  
Bright's Disease, which is the worst  
form of kidney trouble.  
Dr. Kilmer's Swamp-Root is not rec-  
ommended for anything but if you have  
kidney, liver or bladder trouble it will be  
found just the remedy you need. It has  
been tested in so many ways, in hospital  
and in private practice, and has  
proved so successful, in every case that a  
special arrangement has been made by  
which all readers of this paper, who have  
not already tried it, may have a sample  
bottle sent free by mail, also a book tell-  
ing more about Swamp-Root, and how to  
find out if you have kidney or bladder trou-  
ble. When writing mention reading this  
generous offer in this paper and send your  
address to Dr. Kilmer,  
Swamp-Root Co.,  
Cincinnati, O.  
The regular  
price of this  
bottle is one  
dollar and fifty  
cents. Don't make  
any mistake, but remember the name,  
Swamp-Root, Dr. Kilmer's Swamp-Root,  
and the address, Burlington, N. Y., on  
every bottle.

pire, Ga., W. A. Floyd by name, says:  
"Buckley's Arnica Salve cured the  
two worst sores I ever saw, one on  
my hand and one on my leg. It is  
worth more than a gold mine. I  
would not be without it. I had to  
mortgage the farm to get it." Only  
25 cents at W. A. Kujala's drug  
store.

## ROBERTSON WON GREAT AUTO RACE AT BRIGHTON BEACH

Brighton Beach, N. Y., Oct. 3.—  
Twenty thousand people threw the  
high speed clutch into their larynxes  
and let out a 40,000 lung-power yell  
here when George Robertson, of  
New York, drove his 50-horsepower  
Simplex across the line, winner in a  
record-smashing 24-hour automobile  
race. Nearly 50 miles behind him  
Ralph K. Mulford, of Brooklyn,  
brought his 50-horsepower Lozier  
in for the place after a neck-and-  
neck struggle with the big six-cyl-  
inder Thomas car, which, handicapped  
by a long series of tire troubles,  
could not do better than third. The  
Allen Kingston 40-horsepower car,  
driven by Hughes, of New York, got  
fourth place.

The four leaders covered 1177,  
1125, 1115 and 907 miles, respec-  
tively. The first three beat the  
world's record for 24 hours, which  
was 1107 miles.

In the twenty-third hour the Zast  
car, with Harry Post driving, crash-  
ed through the fence of the back  
stretch, throwing its occupants near-  
ly 50 feet. Carl Brown, the me-  
chanic, received a bad fracture of  
the right wrist, and possible internal  
injuries. Post was only slightly  
hurt.

After the race Robertson was  
placed under arrest for the killing of  
Fickett, the Pinkerton detective, who  
died at the Coney Island hospital this  
afternoon from injuries received yes-  
terday, when he was struck by the  
Simplex car. The arrest of Robert-  
son is regarded as purely technical.

### Seriously Hurt in Race

Thomas D. Fickett, special officer,  
struck by car while crossing track;  
both legs broken and internal inju-  
ries; died at Coney Island hospital.  
Charles Gatenja, driver, avoiding  
crowd on track, ran through outside  
rail; wrist broken, bruises and  
shock.  
Harry Bloek, driving second car  
when leaky tank started fire; severely  
burned about face and hands.  
Harry Cobe, driver; went through  
inside fence; left leg injured.

### GENERAL NEWS FORECAST OF THE PRESENT WEEK

Washington, D. C., Oct. 3.—Poll-  
sters will continue to occupy the cen-  
ter of the stage during the coming  
week. The strenuous tour of Mr.  
Bryan through the Middle West will  
be continued and Mr. Taft likewise  
has an itinerary mapped out for the  
week that will keep him exceedingly  
busy. Mr. Chafin, the Prohibition  
candidate and Mr. Huggen, the choice  
of the Independence party for pres-  
ident, will cover wide stretches of  
territory in the six days beginning  
Monday.

Neither will there be any let-up of  
the energetic campaign on the part of  
the leading spell-binders of both the  
older parties. John W. Kern, the  
Democratic vice presidential candi-  
date, will begin a week of speech  
making in the South Atlantic States.

Governor Hughes, in behalf of the  
Republican national campaign, will  
devote the entire week to the trans-  
Mississippi States, including Minne-  
sota, Iowa, Missouri, Nebraska and  
Kansas.

Senator Beveridge of Indiana will  
start the campaign ball rolling for  
the Republicans on the Pacific coast,  
speaking in Seattle, Tacoma, Port-  
land, San Francisco and Salt Lake  
City.

Eugene V. Debs, Socialist candi-  
date for President, plans to put in the  
greater part of the week in New York  
and New England.

The Georgia State election will  
take place Wednesday. Though the  
Independence party has displayed  
some activity there is no doubt of  
the election of the Democratic state  
ticket headed by Joseph M. Brown as  
candidates for governor.

The temperance element are mak-  
ing heroic efforts to bring about a  
"dry" victory in the town elections  
which will be held in Connecticut on  
Monday.

Democrats of Rhode Island, who  
will meet in State convention Tues-  
day, will be forced to find a new  
candidate for governor. Governor  
James H. Higgins having positively  
declined to stand for re-nomination.

The Vermont legislature, which  
will assemble in biennial session on  
Wednesday, will elect a United States  
senator to fill the unexpired term of  
the late Redfield Proctor, which con-  
tinues until March 2, 1911.

Philadelphia will be the scene of  
notable festivities and pageants  
throughout the week in celebration  
of the city's 225th anniversary.

The United States Supreme Court  
will assemble Monday for the Octo-  
ber term. The docket contains many  
important cases, including a number  
of attempts to enforce the laws against  
big corporations.

Stockholders of the Canadian Pa-  
cific Railway will meet in Montreal  
Wednesday to consider an increase in  
the common stock by an amount not  
exceeding \$5,000,000.

Important conventions of the week  
will include the Trans-Mississippi  
Commercial Congress in San Fran-  
cisco, the Deep Waterways Con-  
ference in Chicago, the National Chris-  
tian Church conference in New Or-  
leans, the second international con-  
ference of State and local taxation in  
Toronto, and the meeting of the Na-  
tional Association of Railroad Com-  
missioners in Washington.
