A Careful Man Protects His Family

By carrying a Life Insurance Policy. This is a wise plan and we have no criticism to offer.

The first necessity for a family however is a **HOME.** If you have gone this long without one, you should not delay another day. **MATERIAL** of all kinds is advancing, but is still reasonable. If you need a home and don't take advantage of this opportune time to build then get the insurance anyway for you surely are a **DEAD ONE.**

TRACK WORK BEGINS WEDNESDAY AT 'VARSITY

OUTLOOK IS ONLY ORDINARY — LAUREANS ELECT OFFICERS— RED "ABBOTT VISITS FOOTBALL PRACTICE.

Track prospects at the University are more dull in their hue than they have been for many years, but as is usually the case to the followers of the field and track sports, there is a bright side, as much as there was last year, in the new men who have entered college. A track meeting was held Saturday in the gymnasium at which plans were made for the fall cross country work to begin Wednesday or Thursday.

Each class will have representatives in the trial to win the prizes which will be offered by the management. Captain Huston expects that each class will also elect a captain, who will look after the training of his men in the cross country work.

Many of the best men in last year's squad are not in college, and others will have to be developed to fill their shoes. Zacharias, who always took points in the hammer was graduated, May the freshman, who sometimes helped to enlarge the score, is in Yale, and Roberts, the sprinter and hurdler, is attending a dental college in Los Angeles.

However, there seems to be new material in a plentiful quantity, but when it is considered that the old and tried men often fail, the uncertainties of development in the most likely material may be appreciated.

Literary Society.

The literary societies began their worg Saturday night, both the Philologians and Laureans reporting good meetings. The Laurean society elected the following officers: president, T. R. Townsend; vice-president, J. H. Bond; secretary, C. A. Steele; assistant secretary, Will Irwin; treasurer, F. E. Dunton; censor, Cecil Lyans; editor, Ben Williams; and sergeant-at-arms, H. A. Scullen.

College Notes.

A. J. Abbot, one time the greatest end in the middle west, visited the University Friday and Saturday. He is now a traveling man working out of Portland, and has visited Corvallis and Salem. Both Willamette and O. A. C. have a good bunch of material. In his opinion O. A. C. has the better line of the trio, Oregon the swifter backfield.

Oscar Furuseth, a June graduate, who is studying law at the Oregon Law school in Portland, has been visiting his friends and family [illegible] three days.

Professor Chloran, of the department of Modern Languages, has kept a list of the birthplaces of his students. Most of them were born in the middle west.

The cement walk along Eleventh street has been completed.

Ray Walsh, a student in 1906-07, who has been doing railroad work for a year, has returned to college.

Miss Jessie Hurley has returned from her home in Portland.

Gladys Kenny of Leona, returned to Eugene Saturday afternoon to take up her college work.

Byron Goodall sprained his ankle yesterday in boarding a street car.

ANNUAL STUDENTS' RALLY TOMORROW

The annual students' rally will be held in Villard hall at the University tomorrow morning at the regular assembly hour—10 o'clock. There will be numerous speeches, a vocal selection by Miss Grace Campbell, numbers by the glee club and other music. The speakers will be Hon. S. H. Friendly, President Campbell, Leland Hurd, Merle Chessman, Earl Kilpatrick, Oliver Huston, Ralph McEwen, Fred Moullen, Trainer Hayward and Coach Forbes.

The public is invited to attend the rally, which promises to be very interesting.
