R. have moved to the W. O. W. hall on West Eighth street. Meeting will be Friday afternoon at 2:30, of which members will take notice. People in from the Notl country and vicinity say the frost damaged fruit and vegetables much worse than it did in the valley. C. M. Stephens says the grapes were all ruined in that vicinity. T. H. Ellis, the concrete contractor, set up his mixing machine at the new Dunn-Wilkins building site yesterday afternoon, but it broke down and parts of it had to be taken to the foundry for repairs today. The front of the Berger building on Willamette street, which is now occupied by the Brownville woolen mills store, will be remodeled at once. The old saloon front will be changed to a modern plate-glass front. W. O. Heckart has been engaged to do the work. Duncan Scott has sold to Robert Bowsley the young trotting bred California stallion, Ben Z., and the latter will keep him here and stand him next season. California horses are bringing good prices in Oregon now. The county board of equalization will meet on the third Monday of the present month. The H. D. Harms place of 720 acres on Spencer creek, southwest of Eugene, has just been sold to A. and E. Bettencourt, of Fort Bragg, Cal., for \$14,400. Henry Chezem making the deal. Dixon, formerly of Ashland, now of Eugene, and largely interested in the lumbering business in the Willamette Valley, was in Ashland last evening on his return from San Francisco, where he has been attending the lumber rate case hearing before the U. S. court of appeals. He was greatly elated at the victory of the lumber state commerce commission. The matter, it is now announced, will be passed upon by the United States supreme court. F. E. Harris, son-in-law of Hon. S. H. Friendly, whose home is at Los Angeles, but who has been here during the summer, thinks well of the future of Eugene, not only as an observer but in a substantial way. In the past thirty days he has made offers on the Sanders property on Willamette street, the Hodges property, the Pratt property and the Mulkey property, intending to invest \$100,000 on Willamette street between Eighth and Ninth. BIG STUDENTS' RALLY AT HIGH SCHOOL TODAY

This afternoon the high school student body held their first rally in an enthusiastic fashion. Before the rally the student body elected Harold Young, yell leader for the athletic season. A report of the executive committee was read, which appropriated the money raised by the student body fees as follows: \$100 for football, \$25 for basketball, \$50 for track athletics, \$25 for baseball and \$25 for the "News". The fact that the school was in debt \$140 from baseball last year was brought out. This was disposed of by turning the money raised by the "News" last year (\$170.51), into the general student body fund, the balance after payment of debt to be returned to the "News". The rally was opened by a speech by Hon. S. D. Allen, who represented the board, and told how much the former wished for the welfare of the school and what it was doing and had done. He cautioned the students to keep their studies and athletics at their respective relations, but that the board hoped to see the school maintain its former standard in all branches of athletics. Mr. Huntington, representing the faculty, told how he had been informed by those who saw the football practice on the University field and who were in a position to state that the school had the best outlook in this line that it has ever had. Marion Hurd, representing the alumni, told how much the enthusiasm was four years ago and how it counted in the results that year. Mr. Hug as principal dealt fully with the fact that studies must be the first aim—that they were foremost above all. Then as coach for the football squads he told how well the boys were getting down to signals and formations. Other enthusiastic speeches followed by speakers representing various enterprises and bodies as follows: Leonard Buoy, the News; Raymond Salisbury, faculty; Dugald Quiner, football; Esther U'Ren, student body; Ralph O'Leary, basketball; Wayne Willoughby, freshman class; Holmes Holman, "The News". It was brought out at this assembly that the game with Salem is to be played one month from date. Salem and Eugene are rivals in the same sense as the University of Oregon and O. A. C., and interest is intense. Assembly to be Regular Feature. Principal Hug has arranged to make the assembly plan a regular feature every Wednesday. In the mornings every week Miss Prescott will help the students learn and practice songs for athletics and in the afternoon there will be the assembly with some good speaker to address the students.
