EIGHT-POINT BUCK KILLED UP WILLAMETTE.
 An eight-point buck was killed on a hunt up the Willamette near the Joe Blakely place by L. E. Parks, of Cloverdale, one day last week. The animal dressed over 200 pounds. On one horn were eight points, on the other five. The points were smooth, and indicate plainly the magnificent size of the animal.
 Mr. Parks returned Sunday from his trip. E. C. Staton, of Pleasant Hill, says that Frank Warner, an old lake county hunter, believes the deer to be the largest blacktail ever killed in this section.
