OPENING OF NEW LONG ISLAND RAILWAY

New York, Oct. 9.—The new Long Island motor parkway, recently completed near the location of the old Mineola racing course, will be formally opened tomorrow with a number of non-professional automobile races, thus giving a fair test to the new course, upon which the Vanderbilt cup race will be held later on. According to the program for tomorrow's event there will be five sweepstake races for stock cars, classified according to their selling price. The races will take place simultaneously and will begin at 9 o'clock in the morning.

The Motor Parkway sweepstakes will be for cars selling for more than \$3000, over a distance of 250 miles, for a prize of \$4000; the Meadowbrook sweepstakes will be for cars selling between \$2000 and \$3000, over a distance of 100 miles, for a prize of \$2000. The Garden City sweepstakes will be for cars selling at \$2000 to \$3000, over a distance of 200 miles and for a prize of \$2,000. The Jericho sweepstakes is open to cars selling at \$1000 to \$2,000, will be over a distance of 150 miles and for a prize of \$2000. The Nassau sweepstakes will be for cars selling at less than \$1000, will be over a distance of 100 miles and for a prize of \$1000. After the conclusion of these races there will be a match race between Harry Payne Whitney in his 120-horsepower Mercedes and Foxhall Keene in his 115-horsepower Brasier. Both machines are expected to take part in the contest for the Vanderbilt cup.

The new course is expected to be the fastest ever prepared for automobile racing. There are no grades of any consequence on the course and there are many stretches where it will be possible to attain a speed of seventy or more miles an hour. The cement portion of the course is 28 feet wide and crosses all intersecting railroads and highways overhead by cement viaducts. All turns along the course are properly rounded and banked, so that it will not be necessary for the racers to diminish their speed upon reaching the turns.

The Roseburg public school has 731 pupils as against 667 a year ago.

PETITIONS FOR NEW SCHOOL DISTRICT DENIED

A large number of citizens of Fern Ridge and vicinity, residents in school districts Nos. 8, 23, 51 and 138, were before the district boundary board at the courthouse this afternoon arguing pro and con the merits of a scheme to form a new district out of parts of the districts named. After hearing arguments on both sides the board denied the petition. These districts are known as Fern Ridge, Oak Hill, Clear Lake and Fir Butte districts respectively.

Another petition to create a new district out of District No. 56, known as the Dunn district, and located a couple of miles south of the city, was also denied.

WATERWAYS MEETING ENDS IN CHICAGO

Chicago, Oct. 9.—Business at the closing session of the Lakes-to-the-Gulf Deep Waterways convention was transacted at a rapid rate. The old officers were re-elected with the exception of D. R. Forgan, of Chicago, as a member of the board of governors, who retired in favor of E. S. Conway, of Chicago.

New Orleans was selected as the next convention city.
