## OPEN LETTER TO PRESIDENT FROM GOVERNOR HASKELL

Kansas City, Mo., Oct. 13.—Governor Charles N. Haskell, of Oklahoma, arrived here today to consult his attorneys in reference to his proposed suit against William R. Hearst, charging the New York editor with libel. Just when the suit will be filed, he is unable to say, as the matter is in the hands of his attorneys. This action is the outcome of the publicity of the Standard Oil story, the controversy over which led to Haskell resigning as treasurer of the democratic national committee.

Kansas City, Mo., Oct. 13.—Haskell gave to the Associated Press a signed statement addressed to President Roosevelt contributing another chapter to the controversy arising over the leasing of 680,000 acres of Osage Indian oil lands. "I shall," says Governor Haskell, "insist upon the cancellation of this lease in the interest of the citizens of our state, or that congress take action to declare this improvident and unjust lease void, and secure for the Osage nation the just and reasonable compensation that other owners are receiving."

In his letter Haskell points out to

## CITY WILL HAVE POWER PLANT ON M'KENZIE RIVER

COUNCIL VOTES UNANIMOUSLY TO GO AHEAD WITH WORK—WILL FURNISH ELECTRIC POWER FOR OPERATION OF WATER WORKS—REGULAR MEETING OF COUNCIL LAST NIGHT

The regular meeting of the city council was held last night with a full board present.

After the reading of the minutes the first matter to be taken up was the bill of T. H. Ellis for \$500, as 80 per cent payment for the cement curbs on West Eighth street from Washington to Monroe. The bill was ordered paid.

A petition for an arc light at the intersection of West Tenth and Jefferson streets was referred.

The matter of the construction of the sewer between Second and Third streets, it being claimed that it is not being constructed in a manner up to standard, was referred back to the sewer committee.

In all street and sewer work the city engineer was instructed to furnish duplicate copies of plans and specifications for contractors as well as for the recorder's file.

The sewer in the alley between Fifth and Sixth streets from Jefferson street west to Blair was accepted and the contractor was paid the balance on his contract, less the usual amount held back. Other street matters were referred to the street committee with power to act.

At the suggestion of Architect Hunkeler a change was ordered in the building ordinance providing that all three-story buildings should have 12-inch walks throughout.

The bill of McClain & McArthur, the engineers who surveyed the route of the proposed gravity water system, was referred to the finance committee. The amount of the bill is \$1574.70.

A petition for a sidewalk on the north side of Seventeenth street from Willamette street to Stewart avenue was referred.

The matter of opening Olive street was referred.

Contractor Matthews was ordered to be notified that he must finish up the streets in East Eugene which have been under contract for the past four months.

The report of the committee on the lath and plaster building for George Fisher was in favor of the building and a motion was made to have the council authorize an ordinance drawn to cover the case. It resulted in a tie vote, as follows: Fisher, Berger, Gilbert and Williams voting aye; and Garrett, Roach, Moon and Heller voting no. The mayor decided the matter by voting no.

The report of the committee on Morris Bros' bid for the water bonds was read, the committee being in favor of rejecting the bid, giving reasons in full for not accepting it. After much discussion, it was voted

A STREET SCENE IN MANILA.

The streets of the Philippine metropolis show a remarkable admixture of things that are modern and those that are old. Some of the less frequented thoroughfares are foreign in their appearance as if they had never been entered by an American. Many of the business streets, however, are fast taking on the stately and business aspect of western civilization.
