

THE OREGON DAILY GUARD... PRINTING CO., INC. H. Fisher... every day of the week... Address all communications to the Editor...

best known men of the country, will speak at the U. of O. assembly Wednesday evening. The public is invited and the distinguished gentleman should have a large audience.

VARSAITY TEAM WILL BE TRAINED VERY THOROUGHLY

Thoroughness and co-operation are the methods which are to win for the Oregon Varsity next Saturday afternoon from the Alumni, and later from Idaho, Washington and O. A. C. The teamwork is improving rapidly under Coach Forbes, Assistant Arnsplager and Coleman. Jack O'waley, a former Yale halfback, who was also head coach of the college which leads all others in the gridiron game, is also here helping Forbes. Kincaid field never before had the same galaxy of football coaches on its turf and with the two principles already enunciated coupled with skill and ability, Oregon should be in the battle until the last minute of the last game of the season is played.

The game next Saturday will be interesting chiefly to see how the men handle themselves against the old war horses. There will be hardly a man among the Alumni, who has not made an all-Northwest position. The practice is worth watching, and each day is becoming more interesting. Fred Moulton has been playing quarterback, and in practice performances is good. The scramble for positions is closer, the coach shifting his men so often that little line can be gotten for the final outcome.

Now bleachers will be built Saturday morning on Kincaid field, Geo. Kelly of the Booth-Kelly Lumber Co. donated the lumber, and other firms donated the nails, the students providing the labor. The full length of the new seats will be 75 feet.

The Philologist debating society has elected officers as follows: Earl Strong, president; Horton B. Nicholas, vice-president; Earl Marshall, secretary; Alfred Powers, assistant secretary; J. F. Struck, treasurer; Ellsworth Morgan, editor; Carl Neal, sergeant at arms.

The subject for the Interstate debates with Washington and Idaho, will be the income tax. The form of the question or the exact wording is yet to be formulated. Horton Nicholas has been made a member of the committee on debate and oratory in place of Clarence Wheelwright who is now at the University of Michigan.

Dean Hayes has been put on the training table. He is trying for end. If the Freshmen class will put up the funds, the Freshmen team will be given a training table. The class will have to pay the difference between \$2.00 a week and the price of the meals.

Registration is 507. There will be no assembly Wednesday morning. John Barrett will speak at the University in Villard Hall at 7:45 in the evening. Hixon the football end, twisted his knee badly last night. Maroon Hurd is also out of the game with a cracked rib. Ferris, candidate for tackle, has quite football and will take up Glee Club.

TWO REMARKABLE CURES OF ECZEMA

Over Twenty-three Years Ago Baby had Severe Attack—Years Later Grandfather Suffered Torments with the Disease—Virulent Sores Developed from Knees to Toes.

BOTH OWE COMPLETE RECOVERY TO CUTICURA

"In 1884 my grandson, a babe, had an attack of eczema, and after trying the doctors to the extent of heavy bills and an increase of the disease, I am as though I had never had that disease. I am well known in the vicinity of Louisville and Cincinnati, and all this could be verified by witnesses, M. V. LaRue, 845 Seventh St., Louisville, Ky., April 23 and May 14, 1907."

The agonizing itching and burning of the skin as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of scalp as in scalded head; the facial disfigurement, as in acne—all demand remedies of extraordinary virtue to successfully cope with them. That Cuticura Soap, Ointment and Pills are such stands proven by testimonials of remarkable cures when many remedies and even physicians have failed. One set is often sufficient to cure.
