NEAR DEATH'S DOOR.

Doctor Said Mrs. Lucier's Stomach Was Worn Out, but Mi-o-na Cured Her.

Why, oh why will people of intelligence continue to suffer with dyspepsia or distressing stomach troubles, when Mi-o-na, the only scientific remedy, has a record of thousands of just such cures as the following:

"I was near to death's door. The doctor said he had done all he could; that my stomach was old and worn out. I was so weak I could not walk. I took Mi-o-na tablets and have regained my health. I work like a tiger and I am able to go and thank you myself. I send you my picture, and you can use my word, and my picture, and I thank you again."—Mrs. Nelson Luger, 112 Flak St., Athol, Mass.

Mi-o-na cures dyspepsia. There isn't a particle of doubt about it; and if any of the readers of the

Guard are suffering from stomach trouble of any kind Hull's Drug store will sell you a box of Mi-o-na for 50 cents with an absolute guarantee of relief, or money back. In many cases one box will effect a permanent cure; in chronic conditions more is necessary. But one thing is certain; one box of Mi-o-na will make you feel so much better and brighter, so much more energetic, that you will not give it up till cured.

Mi-o-na is not a digester. Digesters never cured dyspepsia, and never will. Mi-o-na is a stomach strengthener that builds up the worn out, flabby inside of the stomach, and makes the stomach strong enough to perfectly digest what you eat.

Mrs. James Hubbard told Mrs. Jones that Jim never grows since she uses Filger's Golden Gate Coffee. Her grocer grinds it for her.

Mrs. Sam White is tired of buying ground coffee. She buys Filger's Golden Gate whole roast and grinds it.
