

# CHARMING YOUNG MOTHER SAYS:

Mrs. E. W. Brooks.

**Weak, Exhausted, Pe-ru-na Gave New Life.**  
Mrs. E. W. Brooks, 5415 S. Steele St., South Tacoma, Wash., writes: "I want to recommend Peruna to mothers. When my little girl came, I was very weak and exhausted, and it seemed that I could not regain my strength."

"My mother bought me a bottle of Peruna, after I had tried several other advertised remedies without relief. I had little faith, as I was very weak, but within a week after I had commenced taking Peruna I was like a new woman."

"New life and vitality seemed to come each day until in a few weeks I was the health and a happy woman. Thanks to your splendid medicine, I have enjoyed good health for several years. I always keep Peruna on hand, as a few doses will set me right when I am feeling badly."

**Cataract of Ears.**  
G. W. Heard, Hempstead, Texas, writes: "I had a cataract of the ear for several years. It was almost constant and very offensive. Finally I began giving him Peruna and Lacupia, and after he had taken two bottles of Lacupia he was entirely cured. I cannot praise Lacupia and Peruna enough."

## DEER BEING EXTERMINATED BY WOLVES

**ANIMALS ARE BECOMING NUMEROUS IN MOUNTAINS—HEAVY BOUNTY ON THEIR SCALPS WOULD BE MEANS OF PROTECTING DEER**

Dr. W. W. O'Leary, of Cottage Grove, was in the city today on business and was a pleasant caller at The Guard office. He stated that the people in that vicinity report that the timber wolves in the mountains east of there are becoming very numerous and are rapidly exterminating the deer. He said that W. A. Kelly made a trip to the head of Land creek, a tributary of Row river, east of Cottage Grove, and found that wolves had killed three head of his cattle which he was pasturing there, their carcasses being found. Eight head, too, have been killed by the wolves. Hunters going to the summit of the mountains are unable to find any deer at all, they having the foothills and near the settlements they are reported much more numerous. In the course of time it is thought the wolves will come down the mountains and prey upon the settler's stock. If something is not done to exterminate them, it is argued that if a large bounty were placed on these wolves instead of paying game wardens high salaries, more deer would be saved by one man than could be saved by all the wardens in the state. If a good bounty were paid for the scalps of wolves many people would make it a point to hunt them all the year around. At present Lane county pays a bounty of \$2.50 on each wolf scalp, but this is not enough to pay any one to devote much time to killing them.

## RAIN CAUSES RIVER TO RISE RAPIDLY

The rains of the past 48 hours have caused the Willamette river and tributaries to rise rapidly. The river at Eugene is four or five feet higher than when it was when the rains began and the coast fork, which runs through Cottage Grove, is reported to be even higher and drift wood is running down stream, floating that the river is nearly out of its banks in some places. A freshet is

not feared for the reason that the ground was very dry and the rains began, and much of the water soaked in.

### IMMEDIATE RELIEF

From Coughs, Colds, Sore Throats and Hoarseness, by Using Hyomel

When you catch cold you want to get rid of it as quickly as you can. You don't want to lie around the house for a week swallowing nauseating drugs. You know when you do this that you are not only making your own life miserable, but are a nuisance to every one about you.

We do not avoid all this; why not relieve your cold in five minutes; why not cure it over night? You can do it by using Hyomel, the sure and guaranteed cure for colds, coughs, sore throat, catarrh, bronchitis and asthma.

Hyomel is medicated and antiseptic air; you breathe it into the lungs through a small pocket inhaler, and its soothing influence as it passes over the inflamed membrane of the respiratory tract causes the mucous discharge, allays the inflammation, and the cold is cured. A complete Hyomel outfit costs \$1.00, and the Red Cross Drug Company will refund your money if it fails to cure.

**Husband and Wife Cured.**  
I had a bad form of catarrh. My left nostril was entirely closed, and there was also a constant dripping of blood from the right. I only used Hyomel a little over two weeks and am now cured. My husband was also cured of catarrh and lung trouble two years ago by Hyomel.—Mrs. Harry Obney, Aldane, Ohio.

### WASHINGTON PRIMARY LAW IS UPHOLD

Olympia, Wash., Oct. 13.—The State Supreme Court today unanimously sustained the direct primary law in its entirety. The opinion was written by Justice Fullerton and signed by Hadley, Chief Justice; Dunbar, Moore and Rudkin. Justices Root and Crow, who were candidates before the primaries, took no part, although it is understood that they agree with other members. The opinion covers 11 typewritten pages and consolidates the decision on four attacks upon the direct primary law. The points upon which the attack was made and the decision may be summarized as follows:

The court holds that the title is sufficient and that the law is valid on that constitutional ground. Dismissing this point the court admits the indefiniteness of the provision that candidates must file a statement of campaign expenses, "less than 10 days after the primaries," and says in such cases the rate is they must be filed within a reasonable time.

## DYSPEPSIA IS RESULT OF FOOD FERMENTATION

GET SOME DIAPYPSIN FROM YOUR DRUGGIST AND HAVE YOUR STOMACH TROUBLE OVER WITH FOREVER—ABSOLUTELY HARMLESS DIGESTIVE AND ANTI-FERMENT.

When your stomach is weak or lacking in gastric juice, anything that you eat no difference what it is, will sour on your stomach, raise the bile and acids to cover your food like oil on water, causing indigestion, Dyspepsia, Stomach nervousness and Belching of our poisons, which produce foul odors, nasty taste, bilious headache, Heartburn, Intestinal griping and make you an object of misery. This is stomach trouble which can not be overcome with ordinary digestive medicines. It is caused by fermentation of your food, which will be remedied at once by Pape's Diapypsin, a preparation pleasant to take and as harmless as candy, though it will digest and prepare for assimilation into the blood all the food you eat.

Indigestion is a result, not a cause of your trouble. If the stomach is sour and unwholesome, your food becomes stunted, and that's what is causing the indigestion and gas on the stomach and other miseries. Pape's Diapypsin is an Antacid, most powerful digestive and thorough regulator for weak stomachs. These Triangles will digest any kind of food you eat and will cleanse the stomach and intestines in a natural way, which makes you feel fine five minutes afterwards.

Any good pharmacy here will supply you with a case of Pape's Diapypsin for fifty cents. Just reading about this remarkable stomach preparation will not help. You should go now and get a case. Put your Stomach in full health and by tomorrow you will forget the misery of Stomach trouble. Your case is no different from many others. It isn't Stomach troubles or Catarrh of the Stomach, or Gastritis, or Dyspepsia. It is food rotting—food fermentation—that's all—and takes about five minutes to overcome.
