JOS. JACOBS ACQUITTED IN JUSTICE COURT

The trial of Joseph Jacobs, accused of violating the local option law, was held this afternoon before Justice of the Peace R. S. Bryson. By stipulation of both sides a jury of only five was selected as follows: P. D. Newell, Amos Wilkins, Geo. H. Courtright, F. B. Dunn and J. E. Roach. A large number of witnesses were examined by both sides. J. M. and Geo. A. Pipes and L. M. Travis are attorneys for Jacobs and Deputy Prosecuting Attorney Skipworth represents the state.

The jury after being out only a few minutes returned a verdict of not guilty and the justice complimented them on rendering such a verdict. The reason for this was that one of the witnesses admitted on the stand that he lied in giving his testimony in the trial of Jacobs in [illegible] city court.

NEWS NOTES.

The Crater Lake season will close October 20. The camp established by W. G. Steele has closed, but meals and accommodations can be secured at the Arant camp, at the foot of the climb to the lake, until October 20. It is estimated that 6000 people visited Crater Lake during the season of 1908.
