O. A. C. WITHDRAWS FROM FRESHMAN FOOTBALL GAME

ANOTHER CONTEST WILL BE SCHEDULED BY MANAGER McEWEN — WASHINGTON MEN BACK TO MOLESKINS

The O. A. C. football management has called off the freshman game two weeks from tomorrow, and Manager McEwen will schedule a game with some other college eleven, or the Multnomah Club second team, for that date. The reason that the management assigns is that the time of the coaches is needed to develop the first team. They have two, but it is claimed that the situation is such at the Agricultural College that the team is not developing as it should.

The game with O. A. C. was the freshmen's great game of the year. They feel that O. A. C. could have thrown together an aggregation as easily as Oregon, as the Agrics boast that they have a hundred men in their squads.

Washington Improves

Babcock, Jarvis and Bantz, three stars, have donned the moleskins at the University of Washington, and the chances at the Seattle college for a great team have brightened perceptibly. Moreover, Coach Dobie is proving to be a better man than was expected. His methods, while not popular with the newspaper paragraphers, are thorough.

University News

"Clo" Taylor, the former University half back, had his collar bone broken recently while practicing at Cornell. Taylor was doing well in the game, although light, but the accident will keep him off the squad.

This evening a big rally will be held on Kincaid field, the first of the year. The students will march down town and back to the bonfire, especially prepared by the freshment.

The temporary recitation building on the Mummey lots will be ready for occupation by the second semester.

Registration of students reached 513 today.

HARRISBURG MAN LOST IN MOUNTAINS

POSTMASTER C. L. MORRIS LOST HIS BEARINGS AND SPENT COLD NIGHT OUT — OTHER NEWS OF HARRISBURG.

(Special Correspondence).

Harrisburg, Or., Oct. 16.—Our Postmaster, C. L. Morris, had a thrilling experience in the Cascade mountains Sunday and Monday of this week. He and Dr. W. H. Dale, as a respite from the grind of daily business, went to the mountains on a hunting expedition last Saturday. Arriving at headquarters, they fixed camp and went on a stroll for game, but without success. Next morning bright and early they had breakfast and started for a hunt, Mr. Morris to travel on the east side of the summit and the doctor on the other side. They agreed that they would return to camp about noon for dinner. The doctor arrived in on schedule time, but Mr. Morris failed to put in an appearance. Dr. Dale fired signal shots at intervals and searched the hills for some distance around without success. It was now growing late and he feared that Mr. Morris was lost or the victim of an accident, therefore he came out to the valley and gave the alarm. In crossing the summit Mr. Morris was overtaken by a drenching rain and a dense fog, which rendered it impossible for him to keep his bearings; hence he was lost. He traveled until 4 o'clock, when he found himself at the foot of Foggy Peak, exhausted, "all in," numed with cold, drenched by the rain, hungry, and with but one match with which to start a fire. He succeeded in getting a fire but had the most miserable night of his life. When morning came he started out and luckily found a trail which led him to Courtney creek, which he followed, striking the valley at Mr. Warmath's and from there he telephoned his family. Many searchers were on the trail before he got out.

Marion Hyde came home the last of the week from a month's hunting and fishing on the coast. He looks as fat and slick as a well-fed Englishman.

The late heavy rains are an inexpressible joy to the farmers. Crops all in and the winter's wood in the dry. Nothing to do but watch the grain and grass grow.

The Booth-Kelly Lumber Co. sold all the machinery in their sawmill here, excepting the water wheels, to Eli Perkins & Son, Thursday. They will remove it to Coyote Creek, where they are putting in a sawmill plant.

Mr. and Mrs. Widener and Mrs. Donovan arrived from Eugene Thursday.

Under the strain of the high water Thursday, one of the guy ropes of the ferry broke, which will leave it out of commission for a day or two.

George Scott, of this city, was telegraphed the news of the death of his father in Kansas, and he started Thursday to make the trip.

MARRIED AT GRAND PARENT'S ANNIVERSARY

Halsey, Or., Oct. 14.—Today, at their home in Halsey, Mr. and Mrs. Caleb M. Ward celebrated their 50th wedding anniversary. They were both born in Henderson county, Ill., and were married in Rosetta, Ill. Mrs. Ward's maiden name was Malvina Martha Rust. They came to Oregon in 1873 and settled in Halsey, where they have lived since. Six children, George Ward, of Woodburn; Ed Ward, Mrs. May Miller, Mrs. Fannie Ross, of Halsey; Mrs. Laura Moore, of Brownsville, and Mrs. Belle Froman, of Albany, with 12 grandchildren and 40 other guests helped to celebrate their golden wedding. Mr. Ward is a G. A. R. man, having served four years in Com. G, Eighty-fourth Illinois Volunteers. He is 71 years old and his wife is 67, and while both are in feeble health, they look younger than their years.

It was planned to have a mock wedding ceremony with their grandnaughter, Miss Florence Bramwell, daughter of Mrs. May Miller, as maid of honor, and Harry Star Leeper as best man, Rev. Charles Moore, of Eugene, officiating, and the young people had planned to surprise everyone by having the minister marry them at the conclusion of the mock ceremony, but, fearing that the shock would unnerve the aged couple, they, too, were let into the scheme, which was carried out, the grandfather acting as best man and the grandmother as matron of honor. The bride wore white silk voile and carried white roses. Mrs. Ward wore black silk and carried yellow roses. The home was decorated in yellow roses and Autumn leaves, excepting the bride's table, which was decorated in white roses. After a short trip south, the young people will be at home in their new home on their farm near Halsey.

McCOY TO DON MITS AGAIN TONIGHT

New York, Oct. 16.—"Kid" McCoy, who a few years ago was regarded as one of the best pugilists among the light heavyweights, is to be seen in the ring tonight for the first time after a long retirement. He has signed up for a ten-round bout at the National A. C. with Jim Stewart, the big Brooklyn heavyweight. The match has attracted considerable attention and in the Broadway cafes where sporting men congregate it was the staple of conversation today. The prevailing opinion is that if McCoy has retained anything like his oldtime cleverness and hitting powers he should have little trouble in disposing of Stewart, who, though big and powerful, is little better than a novice when it comes to the scientific end of the game.

CAPTAIN HOBSON WILL STUMP OREGON

Richmond Pearson Hobson, congressman from Alabama, will be in Oregon October 21 for a tour of the state in the interests of the Bryan campaign. Word has been received at the state headquarters that Mr. Hobson will be in Portland about that date and will be at the command of the state central committee for a series of public addresses.

Congressman Hobson is well known to the entire United States as a public man and speaker. He first gained renown by his brave exploit at Santiago when he bottled up the Spanish fleet by sinking the Merrimac in the entrance to the bay. He is now a member of congress and has gained much notice by his advocacy of a larger navy. His address in Oregon will cover several of the principal cities.

Notice to Delinquent Taxpayers

Delinquent taxpayers will take notice that delinquent taxes will not be advertised as heretofore; under a law passed by the last legislature of this state taxes that are delinquent after the expiration of six months from the first date of such delinquency may be paid by any one demanding to pay same and a certificate of delinquency will be issued to such party.

Section 37 of said law, in part, reads:

"Any day after the expiration of six months after taxes charged against real property are delinquent the tax collector shall have the right, and it shall be his duty, upon demand and payment of the taxes, penalty and interest, to make out and issue a certificate or certificates of delinquency against such property," and section 38 in part reads: "Certificates of delinquency shall bear interest from the date of issuance until redeemed at the rate of 15 per cent per annum. * * *"

Delinquent taxpayers are therefore advised that if they have not paid at least one-half of their taxes on or before the first Monday in April that the same are delinquent and have been delinquent since said first Monday in April, and those who have paid one-half of their taxes as above the remaining one-half will become delinquent after the first Monday in October, and six months from such dates a certificate of delinquency bearing fifteen per cent interest per annum may be issued against your property.

To save further costs, penalties and interest you are earnestly requested to settle the same at once.

H. L. BOWN,
Sheriff and Tax Collector.
