MOVE TO BUY SITE FOR MODERN HOTEL IN EUGENE

Option Secured on Methodist Church Property for That Purpose

Manager John H. Hartog, of the promotion department of the Commercial Club, was the host at a very pleasant luncheon in the [illegible] room of Otto's grill at noon today. The principal object of the occasion was the discussion of plans for securing a new and modern hotel [illegible] Eugene, a [illegible] option having been secured [illegible] months' work by the committee having the work in charge.

The property in view [illegible] the Humphrey Memorial [illegible] church, at the corner of Willamette and Tenth streets, the dimensions [illegible] 160, and the price $20,000 [illegible] possession [illegible] by June 1, 1909.

The proposition was fully discussed by those present and it was finally decided to place the matter in the hands of a new committee of which Attorney H. W. Thompson is chairman, the other members to be named later by President Whitson, of the board of governors of the Commercial Club. It was the general opinion of those present that the proposition should be accepted and that the property in question is well worth the price asked. Also that a modern hotel is Eugene's greatest need, and that once a site is secured there will be no trouble in securing the capital necessary to build and furnish it.
