TELLS PEOPLE HOW TO MAKE MIXTURE

"The people here do not drink enough water to keep healthy," exclaimed a well-known authority. "The numerous cases of kidney and bladder diseases and rheumatism are mainly due to the fact that the drinking of water, nature's greatest medicine, has been neglected.

Stop loading your systems with medicines and cure-alls but get on the water wagon. If you are really sick, of course, take the proper medicines—plain common vegetable treatment, which will not shatter the nerves or ruin the stomach."

To cure rheumatism you must make the kidneys do the work; they are the filters of the blood. They must be made to strain out of the blood the waste matter and acids that cause rheumatism; the urine must be neutralized so it will no longer be a source of irritation to the bladder, and, most of all, you must keep these acids from forming in the stomach. This is the cause of stomach trouble and poor digestion. For these conditions you can do no better than to take the following prescription: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup of Sarsaparilla, three ounces. Mix by shaking well in bottle and take in teaspoonful doses after each meal and at bedtime, but don't forget the water. Drink plenty and often.

This valuable information and simple prescription should be posted up in each household and used at the first sign of an attack of rheumatism backache or urinary trouble, no matter how slight.

"THE DEVIL" PRESENTED AT ORPHEUM TONIGHT

IN A BAD WAY.

Many a Eugene Reader Will Feel Grateful for This Information.

When your back gives out;
Becomes lame, weak or aching;
When urinary troubles set in,
Your kidneys are "in a bad way."
Doan's Kidney Pills will cure you.
Here is the local evidence to prove it:

Chas. Beadle, retired, 333 W 8th street, Eugene, Or., says: "I just as ardently recommend Doan's Kidney Pills today as I did in the early part of 1903 when I first used them. Kidney complaint has clung to me after I left the army. It was not constant but I never knew the moment when any over-exertion or the contraction of a cold would bring on an attack. At times I was laid up for weeks. The last attack I had was about six months ago, when a lameness across the small of my back appeared accompanied by a dull, heavy pain over my right kidney. My kidneys were also weak and it was difficult for me to control the secretions. I used several remedies that were recommended to me but derived little, if any benefit from them. Finally I decided to try Doan's Kidney Pills and it was not long before I knew that they were what my system required. They soon corrected the weakness of the kidneys and the pains and aches in my back also disappeared. During the time which has elapsed, I have had no return of kidney trouble and have reason to say that Doan's Kidney Pills are an effective remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., sole agents for the United States.

NEWSPAPER STRATEGY OF FOOTBALL COACHES

O. A. C. and Idaho Dealing Out Plain Deceit to the Newspapers

Newspaper strategy, otherwise plain deceit, is the game the coaches of the football teams of the Northwest are now largely concerned with. The efforts of almost every football strategist is to keep the plays of his squad, the comparative strength, and even the composition of the first choice of men, from the knowledge of other coaches, and therefore the public.

During the last three or four days, the prospects at the University of Washington, have brightened, those of O. A. C., Idaho, Washington State at Pullman, and Whitman, have declined. As a matter of fact, to judge from a close examination of some of the college papers, football affairs were never in a better condition at Idaho and at O. A. C., though in the other cases, there may be some ground for press reports.

The score that O. A. C. made against the University of Puget Sound in the last half of the contest, the well known tendencies of Coach Norcross for skillful handling of newspaper reports, and the certainty of O. A. C. backers, brand the recent reports from O. A. C. as false.

Idaho expects to sweep Oregon off the gridiron at Moscow one week from next Saturday with her team, but the Oregonian and other papers say that Middleton thinks that his players handle themselves like a bunch of schoolboys. As a matter of fact, his team is probably the most finished at the present stage, in the Northwest. At least they have had two weeks' more practice than Oregon and O. A. C.

Pullman ran up the score of 76 to 0 on Cheney Normal, a score equalling any of thmeir past performances. Nevertheless Coach Rheinschild says his proteges are babies, hardly worthy of a preparatory school.
