**HIGH-SCHOOL FRESHMAN GAME FRIDAY AFTERNOON**  
Much Speculation as to Result of Game, As It Will Give Line on High's Strength  
On Friday a football game will be played between the teams of the high school and the varsity freshmen. The game has excited much talk and much speculation as to the result, because of the close game last week between the freshmen and the Portland high, and also determine the strength of the Eugene High.  
The high school has no game with Portland High this year, and it may help determine the championship if it should happen to tie between these schools, by comparative scores.  
The freshman team, however, will be much stronger than in the game last Saturday, as the freshmen have first-team men who only played part of a game before who will be able to play the full game in the coming contest. It is generally conceded that if the high school can hold them down within ten points they will have done as much as Portland did last week.  
High School Band  
A band is being organized among the high school students to play on the football excursion to Salem, when the Eugene high plays the Saam team, on November 7.

**ARTIST MONTGOMERY DELIVERS HUMOROUS LECTURE AT U. OF O.**  
Oregon Second Team to Play Chemawa—Bean to Manage Baseball

A. Montgomery, lecturer, poet, and a painter of farm pictures, gave one of his humorous addresses at the University this morning on the subject "Indigenous American Art." The subject matter was highly interesting. Montgomery's pictures of farm products, corn, pumpkins and other fruits and grains, have won a number of medals for him. McCorkle, the great harvester king, has also spent thousands of dollars for his work.  
Play Shemawa.  
The University second team will go to Chemawa Saturday and play the Indians. The line-up has not been announced. The Braves frequently put out teams that are extremely dangerous. One year, under the coaching of Vergil Earl, an eleven was produced within a week, that almost won from the Sherman Indians of Oregon.  
Bean Base Ball Manager.  
In order to make a step towards introducing a graduate manager at the University for baseball, chess club, and similar student enterprises, the athletic council has made Ormond Bean manager of the baseball, as well as the track team. Trainer Hayward stated this morning that he expected this move would make no conflict between the two popular sports.  
Baseball men have expressed their fear that their game would be subordinated to track athletics, but such an event is not anticipated by Hayward and the council, as Manager Bean has an excellent reputation in college as a manager.

**University Notes.**  
A faculty song recital will be given Friday night at the University. The program will be announced later.  
Henry McKinney, "Weary" Chandler, "Dick" Smith are old players who have joined with the varsity football coaching this week.  
Ben Chandler is on the training table.
