ELECTION DAY IS NOW CENTRE OF INTEREST

Washington, D. C., Oct. 24.—One week from next Tuesday there will be election in forty-three states and two territories. In twenty-nine of the states a governor and other state officials are to be elected. In the others minor state officials are to be elected. The States of the Union, with the exception of Maine, Vermont, and Oregon, will vote for members of the House of Representatives. The three states named have held their state elections and will vote only for presidential candidates in the coming election. In Arkansas and Georgia the state officers have been chosen this summer, leaving only the Representatives in Congress and Presidential candidates in the coming election. In Arkansas and Georgia the state officers have been chosen this summer, leaving only the Representatives in Congress and Presidential candidates to be voted for.

The term of thirty-one United States senators,—twenty Democrats and nineteen Republicans—expire March 3, 1909. In a number of the states the senatorial choice already has been made by primary. A National House of Representatives is to be elected—the sixty-first Congress. The present House is composed of 233 Republicans and 168 Democrats, with two vacancies caused by death of one Republican and one Democrat. Maine has already elected four Republicans, Vermont 2 and Oregon 2. The congressional situation at large is very mixed. There are between ninety and one hundred close congressional districts scattered through the country, most of them in states now classed as doubtful states. These districts are close in the sense that the Republican or Democratic plurality in the last election was so slender that it would take but a slight change in every voting precinct to bring a reversal of the political complexion.

The National Ticket.
The national tickets in the field Republican front among ourselves are as follows: for President and Vice-President, Republican, William H. Taft of Ohio; James S. Sherman of New York. Democratic, William J. Bryan of Nebraska; John W. Kern of Indiana. Prohibitionist, Eugene W. Chaffin, of Illinois; Aaron S. Watkins of Ohio. Socialist, Eugene V. Debs of Indiana; Benjamin Hanford of New York. People's Party, Thomas E. Watson of Georgia; Samuel Williams of Indiana. Independence Party, Thomas L. Hisgen of Massachusetts; John Temple Graves of Georgia. Socialist-Labor, August Gihaus, New York; Donald L. Monroe of Virginia.

As usual there is one State ticket, the Democratic, in South Carolina, where Martin F. Ansel has been re-nominated for governor. For the first time in many years there is no fusion in any State, though in several states the Republican or Democratic candidates for state officers have been nominated or endorsed by one or more of the minor parties. The Republican candidate for governor in the various states are as follows: Colorado, Jesse F. McDonald; Connecticut, George L. Lilley; Delaware, Simeon S. Pennewill; Florida, John M. Cheney; Idaho, James H. Brady; Illinois, Charles S. Deneen; Indiana, James E. Watson; Iowa, B. F. Carroll; Kansas, Walter T. Steuber; Massachusetts, Elmer S. Desper; Maryland, Fred M. Warner; Minnesota, Jacob F. Jacobson; Missouri, Herbert S. Hadley; Montana, Edward Dowler; Nebraska, General L. Sheldon; New Hampshire, Henry B. Quilley; New York, Charles E. Hughes; North Carolina, J. Elwood Cox; North Dakota, C. A. Johnson; Ohio, Andrew L. Harris; Rhode Island, Aram J. Pothier; South Dakota, R. S. Vasey; Tennessee, G. N. Tillman; Texas, J. L. Simpson; Utah, William F. Spry; Washington, S. G. Cosgrove; West Virginia, William E.

Truth and Quality

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing. Accordingly, it is not claimed that Syrup of Figs and Elixir of Senna is the only remedy of known value, but one of many reasons why it is the best of personal and family laxatives is the fact that it cleanses, sweetens and relieves the internal organs on which it acts without any debilitating after-effects and without having to increase the quantity from time to time. It acts pleasantly and naturally and truly as a laxative, and its component parts are known to and approved by physicians, as it is free from all objectionable substances. To get its beneficial effects always purchase the genuine—manufactured by the California Fig Syrup Co., only, and for sale by all leading druggists.

Notice to Delinquent Taxpayers

Delinquent taxpayers will take notice that delinquent taxes will not be advertised as heretofore; under a law passed by the last legislature of this state taxes that are delinquent after the expiration of six months from the first date of such delinquency may be paid by any one demanding to pay same and a certificate of delinquency will be issued to such party.
Section 37 of said law, in part, reads:
"Any day after the expiration of six months after taxes are delinquent against real property are delinquent the tax collector shall have the right, and it shall be his duty, upon demand and payment of the taxes, penalty and interest, to make out and issue a certificate or certificates of delinquency against such property;" and section 38 in part reads:
"Certificates of delinquency shall bear interest from the date of issuance until redeemed at the rate of 15 per cent per annum."
Delinquent taxpayers are therefore advised that if they have not paid at least one-half of their taxes before the first Monday in April that the same are delinquent and have been delinquent since said first Monday in April, and those who have paid one-half of their taxes as above the remaining one-half will become delinquent after the first Monday in October, and six months from such date a certificate of delinquency bearing interest per cent interest per annum may be issued against your property.
To save further costs, penalties and interest you are earnestly requested to settle the same at once.
H. L. BOWN,
Sheriff and Tax Collector.
