ASK STATE AID FOR MORE ROADS

Action Taken at Big Booster Meeting in Roseburg

Roseburg, Or., Oct. 24.—The address of A. M. Crawford on "The Future Policies of the State Land Board," the short talk of Senator Bourne and the passing of resolutions asking for state and federal aid in the construction of good roads, were the principal features of today's session of the Oregon and Idaho Development Congress.

The session was called to order this morning by Colonel E. Hofer. Three speakers were on the program today, Attorney-General Crawford, Senator Bourne and L. E. Bean, of Eugene, who made an earnest plea for the improvement of the Siuslaw harbor. In the course of his remarks he said it was the purpose of the people of the Siuslaw country to have introduced at the next session of the legislature a bill whereby the people will be allowed to issue bonds not to exceed ten per cent of the taxable property, in order to provide funds for the improvement of the harbor.

Attorney-General Crawford spoke in regard to the Oregon land grants:

"The courts have sustained the government in this," said the attorney-general, "that when it makes a grant to a corporation for certain purposes, under certain terms, those to whom these grants are made cannot avoid these conditions by assignment. The same is true of wagon-road grants, and if they received these lands with the condition attached that they were to sell them to actual settlers at $2.50 an acre, it is impossible to avoid that condition by selling to some one else. The same applies to railroad grants.

"I find that there are three cases like this that have come before the supreme court. In each case the court has ruled that the grant must be complied with. When these corporations have been forced to comply with their grant conditions, this country will be rapidly developed and settled up."

He also stated that there was urgent need of more railroads in the arid districts, and while there were several proposed routes now being considered, they were mostly for speculation and not development. To induce the building of these roads he favored non-taxation for fifteen years on all roads built in Oregon for development purposes.

Senator Jonathan Bourne, with a view to ascertaining the sentiment of the congress upon the enforcement of the corporations to comply with the land grant conditions, moved that the matter be brought to a vote, but this brought up a heated argument, and the matter was not voted upon for the reason that it was not clearly understood. The sentiment was for a compromise rather than a contest.

Many resolutions were adopted for the immediate and concerted action of all influential persons to assist in securing aid in the development work of the state.

The meeting closed tonight to meet again at Vale, Oregon, so as to give Idaho people a chance to attend.

RESOLUTIONS OF CONDOLENCE.

Whereas, in view of the loss we have sustained by the death of our Commander and Comrade, C. H. Baker, and of the still greater loss sustained by those nearest and dearest to him, therefore, be it

Resolved, that it is but a just tribute to the memory of our comrade, that in his removal from our midst, we mourn for one who was worthy of our respect and regard.

Resolved, that we deeply sympathize with the family of our comrade on the dispensation of providence to afflict them and commend them to Him for comfort, who orders all things for the best.

Resolved, that this testimonial of our sympathy and sorrow be sent to the family of our comrade, and a copy of these resolutions be placed on the minutes of this meeting, and a copy sent to the papers for publication.

WELCH'S BOND FOR ALBANY ROAD MAY BE FORFEITED

This afternoon at 3 o'clock A. Welch had failed to file his acceptance of the franchise granting him street railway privileges in this city. The time in which to accept ends this evening, and as Mr. Welch has given no intimation that he will accept at this late date it is presumed that he has decided to let the franchise go by the board. By his failure to accept the franchise and to commence work also under the terms of the old franchise, Mr. Welch is liable to forfeiture of his $5000 bond deposited to insure his completion of work.—Albany Herald.

WILL RELIEVE ANY DESPEPTIC IN FIVE MINUTES

A THOROUGH CURE FOR ALL YOUR STOMACH TROUBLE IS WAITING FOR YOU WHENEVER YOU DECIDE TO GET RID OF THIS DRED MISERY—GUARD READERS SHOULD TRY DIAPEPSIN.

Take your sour stomach—or maybe you call it Indigestion, Dyspepsia, Gastritis or Catarrh of Stomach; it doesn't matter—take your stomach trouble right with you to your pharmacist and ask him to open a 50-cent case of Pape's Diapepsin and let you eat one 22-grain Triangle and see if within five minutes there is left any trace of your former misery.

The correct name for your trouble is Food Fermentation—food souring; the Digestive organs become weak, there is lack of gastric juice; your food is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, vomiting and nausea, heartburn, griping in bowels, tenderness in the pit of stomach, bad taste in mouth, constipation, pain in limbs, sleeplessness, beginning of billiousness, sick headache, nervousness, dizziness and many other similar symptoms.

If your appetite is fickle, and nothing tempts you, or you belch gas or if you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all this there is but one cause—fermentation of undigested food.

Prove to yourself, after your next meal, that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery.

Almost instant relief is waiting for you. It is merely a matter of how soon you take some Diapepsin.
