WORK ON ALBANY CAR LINE BEGINS

A. Welch this morning began active preparations for the construction of the First street electric line. Ties have been ordered distributed along the street and grade stakes are being made now by Mr. Dannals. The city engineer has also been secured to prepare the grades so that work can proceed.

From all appearances it seems that Mr. Welch has decided to give up his franchise granted him to operate on Second street, and also the franchise recently granted him which he refused to accept on the ground that thirty years, the time the franchise was granted for, was too short a term. With his decision not to accept the new franchise and not to work under the provisions of the one granted him about a year ago, it would seem that Welch had decided to give up his $5000 forfeit bond to the city and work under the old Hirschberg franchise, which he has acquired at a rumored price of $8000. The Hirschberg franchise is an obnoxious one to the city, and it is probable that Mr. Welch will be enjoined from proceeding with his work or some attmept made to prevent him from operating under this old franchise.—Herald.

KLOEBER KILL BY FALL OVER A TREE

Green River Hot Springs, Wash., Oct. 28.—That Fred Kloeber, as well as Julius Kumle, came to a violent end by accident in the deep mountain forests near here was established yesterday when Kloeber's body was found beside a fallen tree over which he had stumbled and broken his neck. The supposition is that when Kumle died suddenly last Sunday presumably from heart failure, Kloeber hastened for aid, and in running along this tree in the darkness stumbled. He had struck his jaw, and had not moved, his gun being still in his grasp. He had gone less than two miles after leaving Kumle. The body was located by dogs. Death was probably instantaneous.

Kloeber was an ex-newspaper man, 35 years old. He was associated with his brother, Dr. J. S. Kloeber, at Green River Hot Springs.

WHERE BULLETS FLEW.

David Parker, of Fayette, N. Y., a veteran of the Civil War, who lost a foot at Gettysburg, says: "The good Electric Bitters have done is worth more than five hundred dollars to me. I spent much money doctoring for a bad case of stomach trouble, to little purpose. Then I tried Electric Bitters and they cured me. I now take them as a tonic and they keep me strong and well." 50c at W. A. Kuykendall's drug store.

TIMMONS RAPIDLY GAINING STRENGTH

Cut Almost Healed But Still Weak From Loss of Blood

Salem, Oct. 29.—Several days will be required before C. Y. Timmons, wife slayer, will be removed from the Salem hospital to the county jail. While th ewound, self-inflicted on his neck, is nearly healed, Timmons is said by his physicians to be very ill and weak from loss of blood and his removal is a question of time.

Timmons is bound down to his bed by shackles and the county officials are taking no chances on deception on his part and an attempt to escape. He talks but little of the murder and practically the only mention of the crime he has made which has important construction was the confession on the night following the tragedy.

W. C. T. U. DENOUNCES SPEAKER JOE CANNON

Denver, Oct. 28.—The National Woman's Christian Temperance Union convention today adopted with practical unanimity a resolution commending the efforts of the churches to defeat th ere-election of Joseph G. Cannon as a member of congress.

The resolution was introduced by Mrs. Mary E. Kuhl, secretary of the Illinois W. C. T. U., as follows:

"Resolved, That we, the women of the W. C. T. U. in convention assembled, do hereby express a most hearty commendation of the action taken by the Methodist Episcopal church and the several churches in their brave effort to defeat the re-election of Speaker Cannon, because of his persistent opposition to the reforms proposed by intelligent bodies."

WHAT CAUSES DYSPEPSIA?

And Incidentally Constipation, Coated Tongue, Nervousness, Headache And other Symptoms.

Did you ever know that the stomach is a churn? That just as soon as you are done eating, the healthy stomach continues to roll the food around, and mixes it thoroughly with the juices of the stomach.

And did you know, dear reader, that if the stomach is run down or flabby, so that it cannot do the churning, that dyspepsia is the result?

If the food is not churned it lays heavily on your stomach, turns sour, and causes all kinds of distressing symptoms, such as headache, coated tongue, constipation, etc.

And so, as every physician will tell you, the way to cure dyspepsia is to fix the churn, in other words, build up the stomach so that it will properly mix the food.

If you have dyspepsia and want to get rid of it before it gets rid of you, go to Hall's drug store and get a large box of Mi-o-na tablets. The cost is only 50c and every reader of The Guard is welcome to his or her money back if Mi-ona does not cure.

Mi-on-a has cured thousands of the worst and most obstinate cases of indigestion. It quickly cures sea or car sickness and vomiting of pregnancy.

Mi-o-na is the great stomach tonic, one or two tablets will stop sea or car sickness, vomiting of pregnancy and will instantly tone up the worn out stomach the morning after the social session.
