## CLOTHES AND GUN THIEF CAUGHT AT COTTAGE GROVE

**John Larrison, Who Operated in Eugene Some Time Ago, Is Now in Jail**

John Larrison, alias H. E. Taylor, was brought to Eugene last evening from Cottage Grove by Constable Atkins, of that city, and placed in the county jail, having been bound over by the justice of the peace there on the charge of larceny from a dwelling. He is the same fellow who stole a suit of clothes from Charles Smith, a local butcher, and a gun from Dompier, the Springfield blacksmith, a few days ago, as reported by The Guard. He had the clothes on when he was brought to Eugene. Larrison broke into William Abbott's house at Saginaw and took therefrom a gun, a cartridge belt and other articles. He took them to Cottage Grove and traded them at a second hand store for a revolver and some cash. He will appear for trial at the term of circuit court which begins Monday.

## OREGON SECOND BEATS MULTNOMAH SECOND 52-0

**Multnomah Team Lighter and in Poor Condition for Hard Game**

The University of Oregon second team beat the Multnomah Club aggregation this afternoon 52 to 0. The score the first half was 23 to 0 in favor of Oregon. The Oregon team played all around and all over the club men, who were much lighter, and were not in good condition for the tremendous pace set by the collegians. Multnomah did not make yardage once.

Jeffries, the Multnomah quarter, was the only man taken from the game because of injuries.

**First Half 23 to 0.**

The first half resulted in a score of 23 for Oregon and nothing for Multnomah. The feature of the half was Oregon's aggressive work. Oregon scored four minutes after the game started. After a series of line plunges and forward passes, Sullivan carried the ball over the goal line and Lackey kicked the goal. Score: Oregon, 6; Multnomah, 0. In six minutes more Oregon carried the ball for 70 yards for another touchdown, this time Moffitt carrying the ball over the goal line. No Goal. Oregon, 11; Multnomah, 0. Oregon started off again and covered 60 yards for a third touchdown, Captain Hawley carrying the pigskin over the line. Goal was kicked. Oregon, 17; Multnomah, 0. After another series of line plunges, end runs and a forward pass, and with but ten seconds to spare, Hawkins made the fourth touchdown and Lackey kicked goal. Oregon, 23; Multnomah, 0.

**The Second Half**

In two minutes Oregon scored a touchdown by carrying the ball two-thirds the length of the field on a succession of plays. Goal was kicked. The next was made on a fake buck when Captain Hawley ran 60 yards for a touchdown. Goal was kicked.

Soon after Kestley got away on a quarterback run for thirty yards and scored eighteen points in five minutes. Goal kicked.

Two attempts at forward passes failed and it was some time before Oregon pushed the ball over. The addition to the score with the goal made 47 points.

With three minutes to play Oregon marched the length of the field and scored the last touchdown. No goal was kicked. Final score, 52 to 0.

## APPEAL TO PUBLIC TO HELP BUCEEL ENTERTAINMENTS

**The Buceel Entertainment Course is backed by six of the young people's societies representing the churches of Eugene. Its object is to bring high-class entertainments to the city; not only for the present winter season, but for the years to come indefinitely. For this reason the proceeds, if any remain after expenses for the year have been met, will be devoted to the next year's course.**

The committee to whose management the course has been entrusted is composed of a member from each of the societies.

The talent included in the various numbers has been carefully selected and represents some of the most noted people of the country, those who have distinguished themselves in concert and platform work.

The price of season tickets ($2.50) including reserved seats, for the six numbers, is within the reach of all. Even though half of the entertainments are attended the average price per evening is less than that of ordinary attractions at the opera house.

Through the kindness of the board of trustees of the Central Presbyterian church, the entertainments will be given in their elegant new building at the corner of Pearl and Tenth streets.

The church has an inclining floor in the auditorium, fine galleries, is beautifully lighted and modern in all its appointments, with a carefully selected body of ushers, and the public
