

## BABY GIRL CRIED AND SCRATCHED

All the Time—Torturing Eczema Covered Her Body—Could Not Sleep—Doctor Said Sores Would Last for Years—Skin Now Clear.

### CURED IN THREE MONTHS BY CUTICURA REMEDIES

"I take great pleasure in telling you what a great help it was for me to use Cuticura Soap and Cuticura Ointment for my baby niece. She was suffering from that terrible torture, eczema. It was all over her body but the worst was on her face and hands. Her hands were so bad that she could not hold anything. She cried and scratched all the time and could not sleep night or day from the scratching. I had her under the doctor's care for a year and a half and he seemed to do her no good. I took her to the best doctor in the city and he said that she would have the sores until she was six years old. But if I had depended on the doctor my baby would have lost her mind and died from the want of aid.

"I used all the remedies that everybody told me about and I tortured the child almost to death. Then I saw in the paper how Cuticura was the thing for irritating skin. I bathed her with warm water and Cuticura Soap and used the Cuticura Ointment. She was cured in three months. Now her skin is as clear and smooth as it could be. I shall recommend the use of Cuticura wherever I see the skin in bad condition. Alice L. Dowell, 4760 Easton Ave., St. Louis, Mo., May 2 and 20, 1907."

## RIDICULE FOR STATEMENT OF STANDARD OIL KING

Washington, Oct. 30.—The following official statement was issued from the White House tonight:

"At the White House the announcement of Mr. Rockefeller, through the press agent of the Standard Oil Company, was regarded with some amusement, in view of what the administration has done to the Standard Oil Company and of the bitter hatred borne by the Standard Oil Company to the administration. It is perfectly palpable and obvious trick on the part of the Standard Oil people to try to damage Taft—a trick so palpable that it can deceive no one."

**Hitchcock's Statement.**  
New York, Oct. 30.—After reading tonight the statement of Norman E. Mack, in which the Democratic National chairman charged that the Republican organization had received a contribution from the Standard Oil Company Chairman Hitchcock of the Republican National Committee, dictated the following:

"The statement that the Republican National Committee has received financial assistance from the Standard Oil Company is absolutely false. The committee has not received, directly or indirectly from that organization or any of its officers a single dollar.

Supplementing his formal statement Mr. Hitchcock said: "Not a dollar from that source (the Standard Oil Company) has been received by the Republican National Committee. The whole statement is absolutely without foundation. Not a dollar has been received from any officer connected with the Standard Oil Company."

**SHIPPING TAGS ARE UNDER THE BAN**  
Harriman Lines Send Out Notice of New Railroad Rule

Paper tags must go. Under the new western classification, which becomes effective next week, freight marked with paper tags cannot be accepted by the railroads and pasteboard labels that have been popular for years will not long be tolerated, says the Journal.

General Freight Agent R. B. Miller of the Harriman lines has sent out the following notice to agents of the O. R. & N., and the Southern Pacific, informing them of the new rule:

"No. 27. Each package, bundle or piece of less than carload freight, must be plainly and indelibly marked showing the name of consignee and the name of the station, town or city, and the state to which it is destined.

"NOTE—Pasted labels or securely fastened cloth-lined, metal or leather tags may be used, when character of the freight prevents marking as required.
