

# S.S.S. FOR RHEUMATISM

Rheumatism is caused by an excess of uric acid in the blood, which gradually gets into the circulation because of indigestion, constipation, weak kidney action, and other irregularities of the system which are sometimes considered of no importance. This uric acid causes an inflamed and irritated condition of the blood, and the circulation instead of nourishing the different portions of the body, continually deposits into the nerves, muscles, tissues and joints, the irritating, pain-producing acid with which it is filled. Rheumatism can only be cured by a thorough cleansing of the blood, and this is just what S. S. S. does. It goes down into the circulation, and by neutralizing the uric acid and driving it from the blood, effectually and surely removes the cause. S. S. S. strengthens and invigorates the blood so that instead of a weak, sour stream, causing pain and agony throughout the system, it becomes an invigorating, nourishing fluid, furnishing health and vigor to every part of the body and relieving the suffering caused by this disease. S. S. S. being a purely vegetable blood purifier, is the surest and safest cure for Rheumatism in any of its forms. Book on Rheumatism and any medical advice desired sent free to all who write.

## BITTER FIGHT FOR MAYORALTY IN ATLANTA

Atlanta, Ga., Dec. 1.—Following a campaign that for intensity and bitterness has never been equalled in this city, an election will be held tomorrow for mayor and members of the city council. For the first time in years the regular Democratic nominee for the office is face to face with a strong opposing candidate. As a result it is expected that the vote will be the largest ever polled in a city election in Atlanta.

The Democratic primaries nominated for Mayor James G. Woodward, who has already served two terms in the office. In Woodward's terms as mayor his speech here and in Washington and elsewhere gave Atlanta a good deal of notoriety, and his nomination for a third term was a surprise. But the climax came early in November, a few weeks after his nomination, when he and ex-Police Commissioner William Oldknow were arrested upon a charge of being drunk and disorderly. The arrest came as the result of an invasion of the redlight district by Woodward and Oldknow, in which it was alleged that certain women of the district were handled so roughly that they appealed to the police.

As soon as the scandal became known leading business men of the city started a movement to defeat Woodward for the mayoralty. A mass meeting was held and a committee of twenty-five prominent men were selected to choose an opposition candidate, and report. The candidate selected was Robert F. Maddox, a banker and business man with a clean record. An active campaign in behalf of Mr. Maddox was immediately started and the supporters of the movement declare they have no doubt of Woodward's defeat at the polls tomorrow.

## MARKED FOR DEATH.

"Three years ago I was marked for death. A grave-yard cough was tearing my lungs to pieces. Doctors failed to help me and hope had fled, when my husband got Dr. King's New Discovery," says Mr. A. C. Williams of Bae, Ky. "The first dose helped me and improvement kept on until I had gained 58 pounds in weight and my health was fully restored." This medicine holds the world's healing record for coughs and colds and lung and throat diseases. It prevents pneumonia. Sold under guarantee at W. A. Kuykendall's drug store, 50c and \$1.00. Trial bottle free.

A man near Central Point shipped 283 fine turkeys last week. The grasshoppers, which have amounted to a pest in that section for several years, are ideal turkey food and the popular holiday birds waxed fat out there the past season.

A great many people brighten their polished floors by wiping them, once or twice a month, with a cloth dipped in milk.

A better way is to use Ivory Soap and lukewarm water. Apply with a soft cloth. Use very little water. Wipe dry with another soft cloth. By following this method, you clean your floors as well as brighten them.

**Ivory Soap**  
99 1/100 Per Cent. Pure.
