Now is the Time to visit California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca" of the winter tourist. Its hotels and stopping places are as varied as those of all well-regulated cities. Visitors can always find suitable accommodations, congenial companions and varied, pleasing recreations.

SOUTHERN PACIFIC CO.

Will be glad to supply some very attractive literature, describing in detail the many delights of a winter in California.

Very low round-trip excursion tickets are on sale to California.

The rate from Eugene to Los Angeles and return is $55. Limit six months, allowing stop-overs in either direction. Similar excursion rates are in effect to all California points.

For full information, sleeping car reservations and tickets, call on or telegraph or write A. J. Gillette, Agent, Eugene, or
