Ford will probably ask for a new trial or appeal the case to the supreme court. He is in the commission business at Klamath Falls now and has had to come to Eugene at great expense to stand trial.

### ONE OREGON SAWMILL RESUMES OPERATIONS

Sheridan, Or., Nov. 4.—The Sheridan Lumber Company will put 90 men to work tomorrow morning, probably increasing the force by 50 men soon. The company has just completed one of the most successful flood dams in the state at an expense of about \$5000. Lack of logs and state of the lumber market and the uncertainty of election made this plant idle for the last six months.

The management is now enthusiastic and believes that the market will rapidly improve. The company has plenty of logs for several months, and with the new dam working perfectly does not anticipate a lack of logs.

The management states that if the market is not satisfactory the company will pile its cut and not ship at present. The capacity of the mill is 100,000 feet in ten hours. All the machinery is new and up-to-date. The company holds several thousand acres of as fine timberland as there is in the state, and the operation of the plant means much for the prosperity of Sheridan and vicinity.

**The General Demand**  
of the Well-Informed of the World has always been for a simple, pleasant and efficient liquid laxative remedy of known value, a laxative which physicians could sanction for family use because its component parts are known to them to be wholesome and truly beneficial in effect, acceptable to the system and gentle, yet prompt, in action.

In supplying that demand with its excellent combination of Syrup of Figs and Elixir of Senna, the California Fig Syrup Co. proceeds along ethical lines and relies on the merits of the laxative for its remarkable success.

That is one of many reasons why Syrup of Figs and Elixir of Senna is given the preference by the Well-Informed. To get its beneficial effects always buy the genuine—manufactured by the California Fig Syrup Co., only, and for sale by all leading druggists. Price fifty cents per bottle.

**Be Prepared for the storm.** Don't wait until you've caught a cold. Of course, doctors must be supported, too, but it's wiser to put the money into a warm coat than the doctor's pocket. We have some dandy Fall Overcoats made by the Schwabs of St. Louis; ideally correct in style, fit, finish and price. Good ones at \$10, better ones at \$15, excellent ones at \$20, fine ones at \$25. Others in between.
