## CITY NEWS

A wagon load of Stuslaw salmon

was brought to town this morning and disposed of on the streets.

The try-out for the high school debating team will be held tonight.

The regular monthly term of county commissioner's court is in session.

Alder street between East Eleventh and the mill race is now being graveled.

There will be a Thanksgiving ball at Jasper, November 25. Henderson's orchestra of this city will furnish the music.

Summer weather prevails to the delight of those who don't like so much rain that usually prevails at this time of the year.

Household goods for E. W. Redifer F. E. Hyland, from Woodburn and attorney C. C. Slattery from Iowa arrived here last night.

One case published in the circuit court doc. yesterday read, "Samuel Manerud vs. H. A. Schell." It should have been Samuel Manerud, H. A. Schell and S. P. Ness vs. E. H. Ingham.

The Hill-Crest, which has lately been added to the east side of College Hill, is advertising in the Eugene Daily Guard for bids on the residences to be erected in the addition. Y. D. Yensill, the architect, who has

drawn the plans, will receive the bids.

The rainfall in Eugene for October was 5.04 inches; normal for the month of October, 2.87 inches; hence the shortage for the year has been reduced during the past month from 6.81 to 4.64 inches.

Dr. Bartle was called to the home of Nicholas Nibler north of the city yesterday to set a broken arm for Mr. Nibler's little daughter, the accident having occurred while the girl was playing at school.

When you go to Portland and want to catch a street car there wait for it at the far side of the street crossing as you do in Eugene. The near-side stop was in vogue there for several months but the far side stop has been resumed.

Brick work on the Dunn-Wilkins block was begun late this afternoon. The contractors, Sherman & Hunter, put on a large force of men, all of whom are to be pushed to completion. They regret that they could not have taken advantage of the splendid building weather during the past week or

more, but they had to wait for lumber.

Among the carload shipments into Eugene this morning were the following: A car of lumber for the Sunbelt Lumber Co., a car of shingles for the Booth-Kelly Co., and a car of wood for Mr. Rifer. The excelsior company is shipping today a car of excelsior to California; the Ingham Vinegar Co., a car of vinegar to Portland, the Allen Fruit Co., a car of dried prunes to the East and Frank Meyer a car of hops to the East.

Civil Engineer Ralph B. Huntley today surveying for a ditch to carry away the surplus water from Amazon creek, the name of the slough which extends through the southwest portion of the city. The survey will be from the corner of Fifteenth and Willamette streets west to the race track. The proposed ditch will be twenty feet wide. If the ditch is built the cost will be in the vicinity of \$5000 and it will be assessed against the abutting property owners.

Ralph and C. Marx, Jr., proprietors of the Eugene Steam Dry Works, are building a new office building on East Ninth street, next to their father's resi-
