

## EXPLORER WILL HUNT WITH ROOSEVELT

Los Angeles, Nov. 7.—Attracted by the remarkable feats of Edmund Heller in his explorations of strange known lands in Africa and elsewhere, President Roosevelt has selected the 26-year-old Riverside youth from hundreds of eminent scientists and naturalists of the world who aspired to the place to accompany him to the continent of Africa next March. The honor comes to the California youth unsolicited and unexpected and the fact of his appointment was first learned from his mother, Mrs. Marion Heller of Riverside, who received a letter from the youthful explorer telling of the plans. Heller, who is connected with the state university museum, secured a year's leave of absence and the party will depart for New York March 28 most of the time to be spent in the German East Africa, with the central and elevated parts of which young Heller is familiar.

## AUSTRIAN CABINET FORCED TO RESIGN

Vienna, Nov. 7.—The Austrian cabinet has resigned as the outcome of dissensions between the German and Czech ministers, following the recent racial conflicts at Prague over other Bohemian towns. This action has nothing to do with the international situation.

Miss Lou Scott, of Creswell, after a visit with the Misses Inez and Edna White and Mrs. Minnie Croner, returned home last night. She was accompanied by Gladys Croner, who will visit there a few days.

## SALEM CONTRACTORS LOWEST BIDDERS ON EUGENE POST OFFICE

(Guard Special Service.) Washington, D. C., Nov. 7.—Five bids for the construction of the Eugene, Or., postoffice building at Eugene were received and opened at the treasury department today as follows: W. O. Heckart, Eugene, \$62,500. Geo. C. Mourer Company, Salem, \$62,326. Welch Bros., Salem, \$54,957. Charles A. Gray, Portland, \$66,225. Campbell Building Company, Salt Lake, Utah, \$55,500. All the bidders promise to complete the building by December 1, 1909. The award of the contract will not be made for some days yet, but it will doubtless go to Welch Bros., of Salem, who are the lowest bidders.

## PANAMA CANAL IS DELAYED FOR SEVERAL YEARS

Due to Discovery of Defective Site for Proposed Locks

New Orleans, Nov. 7.—A report reached here today from Colon, Panama, that a subterranean lake has been found under the site of one of the proposed big locks of the Panama canal at Gatun, and this will result in the delay of several years in completing the canal and a much larger outlay of money than was first anticipated. According to the report the discovery was kept secret and engineers who are said to know of the matter during the absence of Colonel Goethals in the United States.

Report Discredited Washington, Nov. 7.—The Isthmian canal office stated that no word has been received of the finding of a subterranean lake under the site of one of the locks at Gatun. The report is declared to be absurd because boring had proven the stability of the earth before work was commenced on the locks.

## WOMAN SUICIDES AT HOLLEY, LINN COUNTY

Grived Over Drowning of Her Son in Mohawk at Mabel Four Years Ago

Mrs. T. A. Morris committed suicide at Holly yesterday, and her body was found last evening. Coroner Fortmiller was notified and, with Mrs. Morris' daughter, Tille, who has been working at the Russ house for a couple of years, went to the place by way of Halsey in a livery rig. An inquest was not found necessary, the case being plain.

With a little 23-caliber gun she had gone to a fruit house, and placing the gun against a table tripped it off, sending the little bullet through her body, where it was found in her clothes. Four years ago a son was drowned at Mabel, Lane county, over which she had mourned almost continually, no doubt, causing the act. She was 51 years of age, and leaves a husband, two daughters, the other being Mrs. Moran, and two sons at home.—Albany Democrat.

## GETTING READY TO BUILD ICE PLANT

R. McMurphey Having Plans Drawn and Will Commence Work Soon as Finished

Robert McMurphey is having plans drawn for his ice factory building at the head of Willamette street, and just as soon as they are completed work will commence on the structure. John Hunzicker, the local architect, is drawing the plans.

Mr. McMurphey has just received plans and specifications for the ice manufacturing machinery from the Harris Ice Machinery Company of Portland. The ice machinery will cost \$4491. This is exclusive of the power machinery and all other fixtures of the plant.

C. H. Mowlin, of Portland, has been employed as engineer for the erection of the machinery, and C. H. Marble, of Portland, has been engaged to operate the plant after it is completed.

## GERMAN CROWN PRINCE FLIES HIGH

Takes Cruise Today in Zeppelin's Airship

Frederickshafen, Nov. 7.—Crown Prince Frederick William made the ascent today with Count Zeppelin in the latter's airship. A strong northerly wind was blowing and it was very cold. It is probable that they will proceed to Donaueschingen Baden, where Emperor William will arrive during the course of the day. Successful Trip.

Donaueschingen Baden, Nov. 7.—The Zeppelin airship maneuvered over the town awaiting the arrival of the special imperial train on which the emperor returns from Austria. The crown prince greeted his father through a megaphone, and later dropped a letter down. He started on his return trip to Frederickshafen without descending.

## SPRINGFIELD ITEMS FROM THIS WEEK'S NEWS

The public school is so crowded that another teacher has already been employed and another one in the near future.

Mrs. Wm. McLean, mother of Fred Lemly, has moved down from Fall Creek, and will make her home with her father, Charles Witter, this winter.

C. H. Pickett is doing plumbing in Eugene this week on the new Ham residence. He is also furnishing the hardware for this building, and informs us he has had to refuse work from that place on account of the disadvantage and expense of going back and forth.

Henry Hennings having recently sold his fine farm east of Springfield has moved to town and is living in the R. Morgan residence. Henry says he has worked steady for a good many years and is entitled to a rest, therefore will spend the winter in Springfield. In the spring he will

## Lots of Men, in Buying Clothes are,

not half particular enough about quality; they'll buy almost anything that looks stylish and fits if the price is low. It's the wrong way to buy clothes. We hope you don't buy yours that way. The right way is to be sure first of the quality you are getting. Is it all wool? Is it well tailored? A price means nothing unless you know what you are getting for it. In this store we want you to know what you are getting for your money; we're not afraid to tell you, either. Ask if the goods are all wool; ask if they are tailored right; ask about style; wear; try the clothes on. But if you see the Hart, Shaffner & Marx label in the clothes, just consider it an answer to your question; all wool; clean, honest tailoring; correct style; wear; price will be right.

pay \$3.50 or \$4.00 for when you can buy a "Gor." \$3.00.
