

Plan for Summer Comfort

Don't add the heat of a open fire to the sufficient comfort of hot weather. Use a New Perfection Wick Blue Flame Oil Cook-Stove in comfort.

With a "New Perfection" Oil Stove the preparation of meals, or the big weekly "baking," is done without the temperature perceptibly above that of any other in the house.

You once have experience with the

NEW PERFECTION Wick Blue Flame Oil Cook-Stove

you will be amazed at the restful way in which it enables you to do work that has heretofore overheated the kitchen and yourself.

The "New Perfection" Stove is ideal for summer use. Made in three sizes and all warranted. If not at your dealer's, write our nearest agency.

The **Rayo Lamp** gives perfect combustion whether high or low—is therefore free from disagreeable odor and cannot smoke. Safe, convenient, ornamental—the ideal light. If not at your dealer's, write our nearest agency.

SOPHOMORES DEFEAT FRESHMEN ELEVEN BY PLACE KICK

The Sophomore class team defeated the Freshmen class eleven last night in a game the larger part of which was played under the sun had set. The score of 4 to 0 does not represent the scoring ability of the other team, for in the second half both almost crossed the other's goal line. Stackpole, the Sophomore captain, kicked the goal within four minutes of time that the second half should have ended, though desultory skirmishing went on for twenty minutes after.

Both sides had distinguished stars, but in the light of the full moon the identity of the players could not be ascertained. As the spectators surrounded the players, much as they would have surrendered a prize ring, many suspicions were aroused that some ringer was used in the dusk of the night. The Freshmen almost scored during the last part of the game and they tripped off end runs, many of the spectators thought some strategy had been resorted to. The score gives the Sophomores the championship of the underclassmen. A former game was a tie.

College News.

Frank Whittelsy, of Portland, is visiting friends at the University. The faculty did not pass upon the students' petition for two days and a half extra vacation in Thanksgiving week, but turned it over to the board of regents. The faculty found that they did not have the power to change the schedule. Arrangements have been made for the students desiring to stay away from classes on the days in question, to do so, on the condition that they make up their work.

"Jack" Latourrette, football coach at the Hill Military Academy and a law student, is here this week watching the football work of the University.

GENERAL NEWS FORECAST FOR THE COMING WEEK

Washington, D. C., Nov. 7.—Many events of interest are on the calendar for the coming week to share public attention with the affairs of election news. Both at home and abroad there will be a variety of happenings of interest and importance.

At Quincy, Mass., will take place Tuesday, the launching of the North Dakota, the first United States 20,000-ton, all-big-gun battleship of the Dreadnought type. The christening ceremony will be performed by Miss Benton of Fargo and the State, after which the big ship takes its name will be further represented by a distinguished delegation headed by Governor John Burke.

The formal opening of the social season in New York will be marked Monday night by two important events, the opening of the annual horse show in Madison Square Garden and the inauguration of the second season of grand opera at the Manhattan opera house.

Men of national prominence will speak at the unveiling Saturday of the prison ship, Martyrs' Monument, erected in Fort Green Park, Brooklyn. The ceremonies have been planned on an elaborate scale and the event is likely to be one of the most notable celebrations of its kind in the history of Greater New York.

The national monetary commission appointed at the last session of Congress to devise plans for currency legislation, is to resume its sessions in Washington, Tuesday. On the same day there will meet here an army board appointed to make selections for detail of officers to fill vacancies occurring in the personnel of the General Staff. At present there are three vacancies, and seven more will occur next year.

The King's birthday and Thanksgiving Day will be generally observed Monday throughout the Dominion of Canada.

The special grand military maneuvers of the Japanese army will begin Tuesday and last four days. The operations of the troops have been planned on an unusually extensive scale and will cover the five provinces of Kinal.

According to the latest dispatches from Teheran the assembly and senate of Persia will convene next Saturday. The proceedings will attract international attention owing to the present disturbed condition in the Shah's dominions.

Of more direct interest to American readers will be the elections in Cuba next Saturday for president and members of congress. It is quite generally predicted that Gen. Jose Miguel Gomez, who has been nominated by both factions of the liberal party, will be elected to the presidency. He has for the first time the united support of his party, and his policies and personality are popular.

Owing to the active participation of President Samuel Gompers in the recent national election considerable public interest will attach to the proceedings of the annual convention of the American Federation of Labor in Denver, beginning Monday.

Other important conventions of the week will be those of the National Prison Association in Richmond, Va.; the National Society for the Promotion of Industrial Education in Atlanta; the Farmers' National Union in New Orleans; the National Grange, Patrons of Husbandry, in Washington; the national convention of the United Daughters of the Confederacy in Atlanta; and the Southern Cotton Association in Memphis.

THE PORTLAND FLOURING MILLS

JUNCTION CITY NEWS

NOTES OF POST WEEK

Frank Drugg, who has had a long siege of typhoid fever, is improving and is now able to sit up, although he is still very weak.

Mr. and Mrs. Brady Burnett, of Conynville, stopped off here Tuesday and were the guests of the family of H. L. Rann.

A. Miller, father of J. H. and E. J. Miller, has been quite seriously ill and grave fears are entertained for his recovery. He is about 88 years of age, the oldest person in this section of the county. He is a fine old gentleman and we all hope for his recovery.

While skating at the rink Tuesday afternoon, Dewey Farrar fell and broke his arm between the wrist and elbow. The fracture was reduced by Dr. Lehrbach. Dewey has run up against more accidents than any boy we know of. He suffered a broken arm once before, last 4th of July he came near losing an eye from the explosion of a cannon cracker, and during the summer he fell from a cherry tree and landed on a ricket fence and narrowly escaped impaling. It is to be hoped that his measure of accidents has been filled.

GOOD COUGH CURE.

For the complete cure of coughs, colds, asthma and bronchitis and all lung complaints tending to consumption, liverwort, tar and wild cherry have for ages maintained an established reputation as a standard cough remedy. It contains no opium or harmful drugs and can be given with safety to children. Price \$1.00. Sold by Lion Drug Co., Williams Mfg. Co., props., Cleveland, O.

Mind Your business.

If you don't nobody will. It is your business to keep out of all the trouble you can and you can and will keep out of liver and bowel trouble if you take Dr. King's New Life Pills. They keep biliousness, malaria, and jaundice out of your system.
