I WOULD GIVE \$1000 IN CASH

If the public could be convinced that the best bargains in real estate ever offered in or about Eugene are in City View Park, because if the situation were actually understood by every person in the county there would not be one acre of this beautiful property left unsold in the next 24 hours after this knowledge was brought to their attention. I am selling acre tracts at \$50 to \$150 per acre, which are intrinsically worth \$500 to \$1500 per acre. If you take into consideration the three elements that go to make up values in all progressive cities of the world—protection from shabby surroundings, good outlook, accessibility.

The only difference is, the \$1500 property has been advertised until the people have learned of its good qualities, while City View Park has just been put upon the market and but few persons have as yet learned of its attraction. Our building restrictions absolutely protect your investment from cheap and shabby surroundings and thus guarantee rapid increase in value. The outlook is the best afforded by any suburban property anywhere between Portland and San Francisco. With the opening of West 11th street, City View Park will be within six minutes ride from the First National Bank. City View Park is just as near the business center of Eugene as is Hendricks Park, where unimproved land sells at \$500 to \$1500 per acre. It is my business to tell you of these facts. It is your business to investigate and learn those truths before you buy.

Now is the Time to visit California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca" of the winter tourist. Its hotels and stopping places are as varied as those of all well-regulated cities. Visitors can always find suitable accommodations, congenial companions and varied, pleasing recreations.

SOUTHERN PACIFIC CO.

Will be glad to supply some very attractive literature, describing in detail the many delights of a winter in California. Very low round-trip excursion tickets are on sale to California. The rate from Eugene to Los Angeles and return is \$55. Limit six months, allowing stop-overs in either direction. Similar excursion rates are in effect to all California points.

For full information, sleeping car reservations and tickets, call on or telegraph or write A. J. Gilllette, Agent, Eugene, or **W. M. McMURRAY**, Gen. Pass. Agt., Portland, Oregon. *tt*
