### 35 HIGH SCHOOLS IN DEBATING LEAGUE

Twice-a-Week Paper Is Contemplated in Place of Weekly

The State High School Debating League, of which Prof. E. E. DeCout, of the University, is secretary, is already beginning active operations for the year's work. Thirty-five high schools have entered the league and some of them have already held their tryouts. A new debating district for Coos Bay has been created in addition to the four of last year - of Columbia River, Southern, Central and Eastern Oregon.

After the tryouts have been held and debates have determined the championship team in each district, inter-district contests will be held to select the two best teams for the final debate, which takes place at the University of Oregon in May. A new bulletin containing full information in regard to all the questions to be debated is now in the hands of the printer and will be mailed as soon as possible.

### Semi-Weekly Paper.

The Associated Students of the University are planning, if finances will permit, to make the "Oregon Weekly," the University newspaper, a semi-weekly instead of a weekly. The change, if made, will probably take place about the time of the Christmas vacation. Since the number of students in the University has become so large, news matter is much more abundant, and many stories are crowded out each week on account of lack of space. Earl Kilpatrick, of La Grande, is editor-in-chief, and Dean Goodman, of Pendleton, is business manager.

### EATON BINDERY ADDS NEW MACHINERY

Pratt, of Portland, is Foreman of His Up-to-date Shop

Allen Eaton, who established an up-to-date bindery here more than a year ago, has met with so much encouragement that he has installed a ruling machine and other equipment for the production of better work. Last summer he kept five employees at work on jobs of the most difficult nature.

In addition to the new machinery, Mr. Eaton has obtained the services of Mr. Harry Platt from Portland as foreman of the shop. He was for five years head finisher for Glass & Prudhomme, the well-known blank book makers of Portland. Some of the finest blank books in the court house and business houses here, were turned out by Mr. Pratt while he was in Portland. He is an expert with the ruling machine, and the print shops of Eugene, in co-operation with the bindery, can undertake anything in book-making.

The Eaton Book Bindery is now able to handle any kind of binding in any quantity, not only for Eugene, but for the whole section.
