STORES WILL CLOSE FOR THE FOOTBALL GAME

On account of the Oregon-Washington football game Saturday afternoon all the merchants of the city have decided to close their stores during the game so as to allow the shoppers as well as the proprietors to attend. They will open again just as soon as the game is over. This insures a much larger attendance at the game than if the stores remained open.

TOWN OF TAFT AGAIN DESTROYED

Wallace, Idaho, Nov. 11.—The death of James Banters, the serious injury of Elsie Leonard and an attempt to lynch a man thought to be incendiary by a crowd of infuriated townspeople, were leading features of a fire which early today destroyed the town of Taft, Montana. The loss is \$100,000, insurance \$30,000. This is the second time in three months that the town has been destroyed. Fire first broke out in the Arcade theatre building. It was promptly extinguished but broke out again in the same place about 4 o'clock this morning with a fury that defied the efforts of the fire brigade. Soon the whole village was in flames. As far as can be learned, 15 buildings, twelve of which were schools, were destroyed. The people of Taft were of the impression that a gambler named Green had set the fires out of spite at the owners of the Arcade theatre and demonstrations against the man reached such proportions that it is alleged the authorities were forced to remove him to Wallace to prevent a lynching.
