

# WHERE PERUNA IS USED.

Residence of Mr. C. Hallock, Antwerp, Ohio. One of the Many Thousand Homes Where Peruna is a Popular Household Remedy.

MR. C. HALLOCK.

### CATARRH OF THE HEAD.

Antwerp, Ohio, writes: "My daughter, Allie, after taking your Peruna, is entirely cured of catarrh of the head of the nose."

"I kept on using Peruna as I had started, and after using it three days and nights the pains in my chest and stomach disappeared, and they have never appeared since, and it will be two years this July."

**Pe-ru-na Relieved All Symptoms.**

Mr. J. C. Crumpacker, R. R. 1, Kokomo, Ind., writes:

"I can say that I have nothing to complain of now. I feel well, rest well at night, have a good but moderate appetite, can eat almost any kind of food."

"I have no aches or pains anywhere, and can do some kind of work every day. I must say I can stand as much fatigue as I ever could, and feel good over it."

"The hemorrhage has yielded to Peruna, the grip has done the same, as well as pains and aches of all kinds."

"The roaring noise has entirely left my ears and head, my mind is clear, my recollection good, my bowels are regular, and I just simply feel easy all over."

"The cure of my case was surely a victory."

**Catarrh of Long Standing.**

Mr. C. A. Reustrom, 570 Seventh St., Ogden, Utah, writes: "I take great

pleasure in stating to you that your medicine, Peruna, has completely cured me of a long-standing case of catarrh."

"I had consulted noted doctors without any relief. By persistent urging of a friend I commenced the use of your wonderful Peruna with the best of results, and today I highly recommend it to any one suffering from catarrh in any form."

"As for myself, I suffered untold agony, but today I feel as spry as any one, with more ambition and confidence in myself than I have enjoyed for years."

"All my friends say I look better than ever before, and I urge them all to try Peruna, and have sold dozens of bottles with the greatest satisfaction."

"Your Peruna is the greatest tonic and builder for a broken-down constitution arising from that dreadful disease, catarrh."

Some people prefer to take tablets, rather than to take medicine in a fluid form. Such people can obtain Peruna tablets, which represent the medicinal ingredients of Peruna. Each tablet is equivalent to an average dose of Peruna.

## THIS IS BANNER FOOTBALL DAY

### Many Notable Contests Take Place On the Gridiron

New York, Nov. 14.—Fitting good gridiron contests are promised in every section of the country today for the critics of the game to witness and ponder over. The University of Michigan and Pennsylvania eleven has journeyed to Ann Arbor to tackle the University of Michigan. In this section all eyes are centered on Princeton, where Yale meets the Tigers. Harvard will keep one eye on the afternoon's contest with the husky Dartmouth bunch, while the other will be on the game between the Elis and Tigers.

West Point should have little trouble in disposing of the Washington and Jefferson eleven. But the Navy may find it a harder task to come out of the contest with Pennsylvania victors. Dickinson and Bucknell clash for supremacy, and it will probably be a game well worth witnessing.

In the middle West Cornell meets Chicago at Chicago, which will be the real test of the Ithaca's strength. Illinois and Iowa meet at Urbana, Minnesota, Wisconsin and several of the other big institutions have an open date. On the Pacific coast, California and Leland Stanford come together for their annual battle.

In the South there will be several games of importance. Alabama and Georgia meet at Birmingham, Clemson and Tennessee at Knoxville, Virginia and Georgetown at Washington, Sewanee and Georgia Tech at Atlanta, and North Carolina and South Carolina at Chapel Hill.

## BOWERMAN AND McARTHUR ARE SLATED TO PRESIDE

Unless opposition shall develop stronger than now presented, Jay Bowerman, of Gilliam, Sherman and Wheeler, will be elected president of the senate in the Oregon legislature two months hence, and C. N. McArthur will be chosen speaker. Both are Republicans. Their headship of the legislature will give control of that body to the anti-statement, anti-Chamberlain forces. Supporters of Chamberlain have thus far been unable to raise among Republicans the statement issue in the organization of the law-making bodies, says the Oregonian.

Though the session is too far in advance to foresee what absolute certainty what will be accomplished, it is evident that the allies of Chamberlain—Republican and Democratic—have been slipping backward in their plans to name the president and speaker. T. B. Kay, of Marlon, who was running as the Chamberlain candidate for president, has seen the proposition pass by. Ben Selling of Multnomah, has been boomed by the Chamberlain men but has made no effort for the place and they have been able to offer him but little. A. A. Bailey, of Multnomah, has received scant encouragement from his negotiations with Chamberlain.

## PROHIBITION HAS NOT CUT BOOZE SALES

Washington, Nov. 13.—The wave of prohibition which it is claimed has spread over the country apparently has had little effect upon the consumption of alcoholic liquors and spirituous drinks, according to evidence brought out at today's hearing on proposed tariff revision before the house committee on ways and means.

It was apparent, too, that the liquor interests, on the whole, are well satisfied with the present tariff on spirits, wines and other beverages as wine growers and importers were practically the only interests represented at today's hearing. Tomorrow the committee will take up the tobacco schedule.

## A SURPRISED MINISTER.

Hyomet Cured Bronchial Catarrh After He had Given Up in Despair.

"For many years I have been a sufferer from bronchial catarrh, and had despaired of anything like a cure. Judge of my pleasant surprise when I first used Hyomet, which brought complete relief. Hyomet has been a regular godsend."—Rev. Chas. Hartley, Sardinia, Ohio.

There are many readers of the Guard, who are suffering from catarrh, either nasal or bronchial. Many of these despair of ever being cured. They have sought relief in atomizers. They have used all the remedies, and are now traveling their miserable way, allowing the devilish germs of catarrh to sap them of their health, energy and vitality.

But let us reason together, Hull, the druggist, has a guaranteed remedy for catarrh, colds, coughs, bronchitis, croup, and all inflammatory diseases of the nose, throat and bronchial tubes. The name of this remarkable remedy is Hyomet, and if it doesn't cure Hull Drug Co. will give you your money back.

Hyomet (pronounced High-o-me) is medicated air; you just breathe it through the inhaler over the inflamed and germ-ridden membrane, and its soothing antiseptic properties will allay the inflammation, destroy the germs, and restore the entire respiratory tract to its normal condition.

A complete Hyomet outfit, including a hard rubber inhaler, costs but \$1.00 and an extra bottle of Hyomet, if afterwards needed, costs but 50 cents. See Hull's today about it.

Pleasant, sure, easy little Hyomet Pills, are Doan's Little Nephritis Pills, sold by all druggists.

## GENERAL NEWS FORECAST FOR THE COMING WEEK

Washington, D. C., Nov. 14.—The Affair of the Roman Catholics will be centered next week on the Eternal City, where brilliant and elaborate ceremonies will be held in celebration of the pope's jubilee, the fiftieth anniversary of his ordination to the priesthood. From all parts of the world eminent prelates of the church, including a liberal representation from America, have journeyed to Rome to take part in the jubilee observance.

Also of great interest and importance to the Catholic church will be the meeting in Chicago of the first American Catholic missionary congress, which will be attended by distinguished churchmen and laymen from all parts of the country and Canada.

In the United States Circuit court at Richmond the injunction suit instituted by the Baltimore & Ohio Railroad Company against the Interstate Commerce Commission will be argued. The suit is one of several brought by leading railroads to test the power of the Interstate Commerce Commission to enforce the so-called hours-of-service law, which became effective March 4, last.

At Boston on the same day arguments will be heard on the question of advancing the bill in equity brought by Attorney-General Bonaparte to prevent the merger of the Boston & Maine railroad with the New Haven to force the latter to dispose of its trolley lines in Massachusetts.

In New York, Sylvester G. Williams, the special examiner appointed in the case, will begin the taking of testimony in the anti-merger suit brought by the government for the purpose of dissolving the Harriman Railroad system.

After several postponements the case of In Whan Chang, the Korean accused of the assassination of Durham White Stevens, American adviser to the Korean government, will come up for trial in San Francisco Monday.

Important conventions and conferences of the week will include the meeting of the Atlantic Deeper Waterways Association in Baltimore, the National Society for the Promotion of Industrial Education in Atlanta, the National Prison Association in Richmond, and the National Municipal League and American Civic Association in Pittsburgh.

## NATIONAL PRISON CONGRESS IN SESSION

Richmond, Va., Nov. 14.—Several important prison reforms will be advocated at the annual meeting of the National Prison Association which opens here tonight. Among the more important matters considered will be changes needed in criminal law, and the problem of the discharged prisoner, convict labor, and the question of vagrancy, and the use of workhouses.

Governor Swanson and Mayor Richardson are to welcome the delegates tonight. Professor Charles R. Henderson of the University of Chicago will respond and the annual address by the president of the association, Rev. J. L. Milligan, chaplain of the Western Penitentiary of Pennsylvania, will follow.

Hundreds of delegates have arrived in the city and the total attendance is expected to reach the 1,000 mark, delegates coming from nearly every State in the Union, Canada and Porto Rico.

The convention will continue in session until Friday and many prominent speakers will be heard. Governor Glenn of North Carolina will be heard Monday morning on "Convict Labor in North Carolina." Georgia's solution of the convict labor problem will be explained by Governor Hoke Smith of that State and Governor Broward of Florida will discuss "Penitentiary in Florida." Before the division of the Criminal Law Reform there will be an address by Governor Fort of New Jersey. Other speakers will be Mrs. Maud Ballington Booth, Bishop Fallows of Chicago and Hon. Shirley Bragg of Alabama.

## WHEN HER BACK ACHES.

A Woman Finds All Her Energy and Ambition Slipping Away.

Eugene women know how the aches and pains that come when the kidney fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all these disorders. Here's proof of it in a Eugene woman's words:

Mrs. L. E. Abbot, 484 Pearl street, Eugene, Oregon, says: "Last winter I was taken down with a bad spell of kidney complaint and my back became so weak and lame that I could hardly move. I took various remedies but did not derive any benefit. Finally Doan's Kidney Pills were recommended to me by a friend and my husband procured a box at DeLano's drug store. They proved to be all and more than is claimed for them. As I used them, the pains and weakness left me and my kidneys were strengthened. I consider Doan's Kidney Pills the best remedy of its kind on the market."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.
